

ORR REUNION HELD SUNDAY AT CAMP

Orrs from everywhere gathered at Orr's Camp, two miles from Hendersonville, last Sunday, and with relatives and friends enjoyed a reunion that will long stand out as an event in the influential Orr family. Mayor Sherard, of Hendersonville, delivered the address of welcome to the hundreds of Orrs, their relatives and friends, and in most serious manner extolled the virtues of the Orr family as he recounted their achievements of the past and predicted still great things to be done by the Orrs in the future.

Morris N. Orr was master of ceremonies, while Robert Orr introduced the speakers. James F. Barrett, editor of The Brevard News and The Western Carolina Tribune, and Oliver H. Orr, cashier of the Pisgah Industrial Bank of Brevard, were speakers of the day, while "Uncle Joe" Orr was historian, and gave many interesting facts in connection with the Orr family.

At the noon hour a great picnic dinner was laid upon the tables at the beautiful Orr Camp, and every one at that each could hold, and gathered up and replaced in the baskets as would have been necessary to feed the big crowd.

D. H. Orr, of Pisgah Forest, and Everett Orr of Hendersonville, were given much credit for the success of the day, having prepared the program which so delighted all who attended.

MERRILL REUNION HAPPY OCCASION

Nine children and four grandchildren were the source of pride to Mrs. Rachel Merrill when they gathered at her home at Little River last Sunday, to hold a reunion, the first at which all have been present for eight years.

The day was spent only as one of this could be. Childhood days were again brought to light, the sorrows and joys of a lifetime.

A lovely dinner was served. Following is the list of children present: Mrs. A. J. Beddingfield of Brevard; Mrs. J. M. Williams, Brevard; D. F. Merrill of Pickens; Ernest Merrill of New Orleans, La. Misses Sally and Lorena and Frank, George and Riley Merrill still reside near Little River. A brother of Mrs. Merrill from Easley, S. C., was also present.

BAPTIST CHURCH

(By S. S. Reporter)

Brevard Baptist church in the election last week chose as church officers for the ensuing year, in the Sunday School, Brown Carr, superintendent; E. C. Neill, associate superintendent; Knox DeLong, general secretary; Mrs. N. A. Miller, treasurer. Church officers were: W. S. Price, Jr., church clerk, Julian A. Glazner, chairman finance committee; Mrs. N. A. Miller, treasurer and financial secretary; Leonard Simpson, junior choir director.

Sunday night, August 30, the Baptist church will have an ordination service at which time Mac Grogan will be ordained to the full work of the Gospel Ministry.

The church is working to get up a truck load of food supplies to send to the Thomasville Orphanage along with the other churches of the association. The chairman of our church committee will appreciate very much if the individual classes of the Sunday School will volunteer to furnish some certain part of this truck load of supplies which will be made up of canned vegetables, canned fruits, jams, and jellies, potatoes and such food supplies that our orphaned boys and girls will enjoy.

Our Worker's Council meeting held Tuesday evening, Aug. 25, was most gratifying from the standpoint of the various departments. The helpful talks made by our pastor, the superintendent of the Intermediate department, J. B. Jones, and general director of the B. Y. P. U. work, R. H. Ramsey. The spirit which predominated all through our meeting gave us all the assurance that if the plans discussed and approved at this meeting will be worked out our Sunday School will succeed in doing better work in the coming year.

We have been missing some of our regular members during the summer months and we take this opportunity to ask them to come and take their former places in our Sunday School, where we need them to help us put the work over in the way that the Lord expects us.

We have enjoyed having all visitors at our Sunday School and church services and a warm welcome awaits one and all at all times and at all services.

THE HOME MAKERS CLASS MEETS

The Home Makers Class of the Baptist church met last Wednesday afternoon with Mrs. J. K. Mills at her home on the Hendersonville Highway. While the attendance of the members was not so large it was a most pleasant and profitable gathering. During the business session plans were made to have a committee of members of the class to be present at the tonsil clinic to relieve the mothers of the children and provide suitable refreshments. It was voted to hold the regular monthly business and social meeting on the Tuesday afternoon after the third Sunday.

Mrs. Avery Case, second vice president, presided in the absence of the president. Mrs. W. S. Price closed the meeting with prayer after which a social hour was enjoyed. Mrs. Mills, assisted by her daughter, Miss Elizabeth, served a salad course with ice tea and cake. For this occasion Mrs. Mills used a profusion of Hydrangas for decorating the living room and porch.

MASONIC MEETING
Dunn's Rock Masonic Lodge will meet Friday night at 8 o'clock.

KILPATRICK CLAN IN GREAT REUNION

The annual Kilpatrick Reunion was held Sunday, August 23, on the grounds of the Brevard High School.

About 75 relatives and several friends were present and enjoyed renewing acquaintances. The recent injury to Carroll Kilpatrick cast a shadow over all, and the family of J. M. Kilpatrick was greatly missed. All present visited Mrs. Alice Kilpatrick at her home, who, despite a long siege of ill health, was an inspiration to all in the manner she greeted her guests, each one with a loving smile.

After a bountiful and delicious dinner, several of the out-of-town guests visited the homes of relatives here, then returning to their respective homes with hopes of another reunion here next year on the same date.

PLANT LAWNS IN THE FALL
Lawns planted in late summer or early fall develop a sod before the freezing weather and are able to compete with next spring's weeds much more favorably than when spring sown. Frequent sprinklings will be necessary after planting

in the fall to keep the grass ahead of the weeds and to assure a good grass stand. It is also a good time now to improve your old lawn with V-C Fertilizers and seed in bare patches.
