# CAR OWNERS DEMAND VALUES -not Claims!

**GUM-DIPPED CORDS**  
Every cord in Firestone Tires is Gum-Dipped. This patented extra process penetrates every cord, repels every fiber with pure liquid rubber. Gum-Dipping increases the flexing life of the cords, increases internal friction and heat, increases the strength of the tire body, and gives longer life. Only Firestone Gum-Dipped Tires give this Extra Value!

**TWO EXTRA CORD PLIES UNDER THE TREAD**  
This patented construction of two Extra Cord Plies under the Tread in Firestone Tires makes a stronger band between Tread and Cord Body, and greatly increases resistance to punctures and blowouts. This new, improved "all cord" construction, unlike the old-fashioned cross-weave fabric construction used by others.

**6 CORD PLIES UNDER THE TREAD**

**MOTORISTS are finding the Greatest Values in Firestone Gum-Dipped Tires.** Ever since Firestone and Firestone Dealers began advertising the true facts about tire quality and construction and actually demonstrating the Extra Values in Firestone Gum-Dipped Tires, distributors of special-brand mail-order tires have grown bolder and bolder with misleading claims and comparisons in the desperate effort to interest car-owners.

Car owners bought more Firestone Tires in May, June and July, than in any like period in history. This clearly shows that car owners are interested in Firestone Extra Values and are not interested in comparisons based on an almost obsolete tire size—confusing laboratory analyses—meaningless definitions—impractical challenges with unfair claims of twenty-five per cent savings -- and deceiving price comparisons.

Why risk a tire of unknown manufacture when you can get the Extra Quality, Extra Strength, and Extra Safety of the special patented construction features of Firestone Tires—Gum Dipping, and Two Extra Cord Plies under the Tread.

You get these EXTRA VALUES—plus our Service and the DOUBLE GUARANTEE OF Firestone and us—at no more cost!

Drive in today.—We have sections cut from Firestone Tires, special-brand mail-order tires and others.—See the evidence.—Take nothing for granted.—Judge for Yourself.
