BIBLE CLASS ENJOYS SQUIRREL SUPPER

Members of the Men's Bible Class of the Brevard Methodist church gathered at White Pine Camp in the Pisgah National Forest last Friday evening for their annual "squirrel supper" and election of officers. C. O. Robinson was re-elected president of the class; C. R. Sharp, vice presi-dent; A. R. Gillespie, secretary-treas-

urer. The Rev. G. C. Brinkman, active in church and Sunday School work during the past year since making his home in Brevard, was chosen teacher of the Men's class, with C. R. Sharp, assistant teacher. Combe appointed by President Robinson.

ALLSTON-VERNER

Coming as a distinct surprise to er friends in Transylvania county was the announcement of the mar-riage of Miss Mary Verner, daugh-ter of Mr. and Mrs. S. P. Verner of Brevard, to William F. Allston of Flat Rock. The wedding was solemns, ized in Washington, D. C., on Satur-day the 19 of Sentember. day the 19 of September.

The bride was educated at the University of North Carolina. Her father is a former county superintendent of Transylvania and is at present teaching at Connestee. Her mother is teaching in the Brevard Grammar school.

Mr. Allston is also a graduate of the University of North Carolina. He is employed as head of the Radio department of the United Fruit Co., of Miami, Fla. Mr. Allston is a veteran of the World War, having seen action while in the Navy.

The young couple will make their home in Miami, Fla.

child of Penrose, were Sunday afternoon guests of Mr. and Mrs. G. T. greater help than mortal man could furnish so they called on High for Mr. Joe Wilds of Cherryfield, was help. Now watch the results.

A miniature gold rush is all the rage now in Cherokee County near Andrews. Over fifteen miners at 5 The Pisgah Forest school baseball different points along Valley river joyable picnic at Camp Carolina last nine defeated the Penrose nine on the Friday evening.

In the second care in a constant of the second care in gold seeking operations with a remunerative success. Many other persons are planning to start placer mining in the near future.

Interest was first attracted to the possibilities of gold mining in that section many years ago, however, all operations were ceased and only renewed a few days ago when several gold nuggets about the size of grains of corn were discovered in the bed of Valley River.

Though the men working on these operations may not realize any great fortune from their labors, it may re-vive the interest of the state in its minerals, especially the possibilities of gold mining.

Will Rogers always begins his column, "All I know is what I read in the papers" and the newspapers are certainly giving a splendid coverage of local, state, national and international news these days. Of course, MANY news items in the napers are either deaths, murders or obberies with a certain amount of depression stories and bank failures. Still why talk of them when there are o many interesting articles on progcess and improvement in affairs of state and local governments. You can't keep this state down with such splendid leader as Gov. Gardner. look at the world-wide attention he has drawn to his Live-at-Home Program and the success it has already attained. A hard winter may be ahead of us, but many hard ones have een conquered in the years gone by If only each town, city and state will organize as Gov. Gardner suggests, suffering from cold and starvation his winter will be lowered to a mini-Each town should be on the lookout for its citizenship, in an effort to note any signs of suffering. And watch out for the fellow who pers for food and yet refuses to work when work is offered. Give of your
