

BREVAR INSTITUTE BEATS SYLVA HIGH

The Brevard Institute eleven, led by Captain Prillo Mitchell, trampled the Sylva High Football team for a 25 to 13 victory Friday on the Sylva field.

The first quarter found the Sylvans getting the best of the struggle. They scored a touchdown in the first five minutes of play.

M. A. Dumas playing left half, started for Brevard Institute by tallying two of their four touchdowns. In the second quarter he intercepted a pass and stepped up the field for a forty yard run and a touchdown.

Gene Dumas, right half, scored a touchdown and Capt. Prillo Mitchell made the fourth. Skidmore bucked the line for the extra point. The B. I. boys were working evenly and the line deserves due credit for the victory. The linesmen held like a rock wall and the opposing team found it hard and practically impossible to make any headway by line plunges.

Captain Sutton, quarterback, tallied both touchdowns for Sylva and Green the extra point.

The line-up:

FOREST FILM SHOWN IN COUNTY SCHOOLS

Transylvania Assisting State In Conservation of the Forests

And where possible free movies were shown. In every case a large crowd was out to see the pictures and much interest was shown.

R. C. Moore, in charge of the work, stated that it is the aim of the Department, with the aid of movies, lectures and literature to win the people of the State away from the practice of woods burning to the more enriching practice of forest and game protection. As it is impossible to have forest and game where the woods are burned over annually.

Mr. Moore stated that Transylvania county is once more cooperating with the state Forest Service in an effort to protect the woodland area from fires; as the fire season is rapidly approaching, now is the time for all good citizens to take a definite stand against woods-burning.

Hunters and every one should be careful with fire in the woods, a fire prevented may mean a nest saved more birds for the future and better hunting for all, Mr. Moore stated.
