

BLUE DEVILS HOLD CANTON TO 6-6 TIE

Coach Tilson's Blue Devils held the Canton Black Bears to a 6-6 deadlock Friday on the Canton field. The Devils fought staunchly and steadily until the last quarter, however, they were evenly matched and the game ended in a low tie.

Canton kicked off to Brevard and the Devils were downed on their own 45 yard line. Brevard carried the ball from the 45 yard line to approximately the three yard line where a pass was fumbled, giving Canton the ball.

Bud Mease, Canton quarterback, fumbled the ball and Bud Neal, Brevard right end, recovered it on the Devil goal line and thus made the first touchdown of the struggle. Brevard failed to make the extra point.

Brevard kicked to Canton and the Black Bears proceeded to march down the field for their touchdown. They failed to score the extra point.

At only one time during the last half did either team threaten the goal. Brevard stepped down the field to the Canton 30 yard line, and the Bears held.

Mease started for Canton while Schachner, Erwin, Lance and Neal were outstanding for the Blue Devils.

Blue Devil lineup:
Neal, right end; Hinton, right tackle; Meese, right guard; Pickelsimer, center; Wilson, left guard; Lance, left tackle; Huggins, left end; Schachner, quarterback; Clayton and Erwin, half backs; English, full back.

Substitute: Pearce and Simard.

Brevard Team Works Out For Friday Game

Coach Tilson worked the Blue Devils for a tough series of scrimmages the early part of the week, in preparation for the Franklin game this Friday. The game will be played on the Franklin field and sport fans interested in furnishing transportation for the players to the scene of combat are urged to notify Coach Tilson or Manager Alfred Hampton today.

Passing Out Compliments

"You seem to have plenty of intelligence for a man in your position," sneered the lawyer, cross-examining a witness.

"If I wasn't under oath I'd return the compliment," replied the witness.

BREVARD HIGH SCHOOL NEWS

BOND VISITS HIGH SCHOOL

(Jane Pearce)

Last Thursday we were greatly honored by a visit from Rev. G. T. Bond, who has conducted a revival at the Brevard Methodist church for the past week. Those of us who had heard Rev. Bond previously knew we were indeed fortunate, and those unfortunate enough to have missed his sermons surmised as much. Despite our high anticipations concerning his oratory powers we soon realized that he excelled even the highest. Not only does Rev. Bond possess very effective oral delivery, but also unusual capacity for collecting and arranging his thoughts and opinions. His fine appearance greatly enhanced his popularity as his noble countenance reflected the innermost thoughts of his secret being and in his earnestness it revealed deep sympathy and human understanding. The topic he chose, "The Philosophy of Worthwhile Living"—was one of vital interest to ourselves as well as every other young person who intends to enjoy Life's opportunities to the utmost. His discussion was divided into three phases: The Greek philosophy, "Know Thyself;" the Roman philosophy, "Control Thyself;" and Christ's philosophy, "Deny Thyself." All these are great and good, but the greatest of these is "Deny Thyself," for it is self-sacrifice that strengthens our characters and builds great men and women.

FRESHMAN BOYS

(Sandy McLeod)

Under the direction of Coach Tilson, the home room teacher, the eighth grade boys have been having many interesting football practices with the ninth grade boys. Although they were usually beaten, the games have been very exciting.

As yet no officers have been elected for the coming year. There are thirty-four boys enrolled in Coach Tilson's home room.

Quebec News Items

The Home-Coming of our church met here Oct. 11, and seemed to be thoroughly enjoyed. The largest crowd of people were present that we remember on that special occasion, but if anyone went away hungry it was their own fault. A bountiful and delicious dinner was spread. Speeches were made by friends and former pastors of the church. We were very sorry, however, that some of the speakers could not be present. The choir of Tryon made special music, which was greatly enjoyed. Mr. Wilke Reid, one of our former members was a member of the Tryon choir.

Miss Ethel Golden underwent an operation for appendicitis at the Franklin hospital last week, and is reported to be getting on very nicely.

JUNIOR GIRLS

(Ruth Pickelsimer)

The tenth grade girls of B. H. S. are under the supervision of Miss Mary Frances Biggers. Each Monday, Wednesday and Friday, the home room meets, and usually sings school songs or other popular choruses, which are enjoyed very much. Miss Biggers has been reading a serial in the Good Housekeeping that creates much interest, thus causing the girls to look forward to each home room period of the week.

As yet no officers have been elected to represent the Junior class for we have decided that it would be best to wait until the second semester. At that time there will be a joint meeting of the two home rooms and class officers will be elected.

SPORTSMANSHIP

(Emma Deaver)

Now, that it is the time of the year when everyone is interested in sports, when both students and townspeople are out on the football field during the games, rooting and yelling for our high school team, and buying tickets to benefit the squad; don't you think that we might all be helped by an article on true sportsmanship?

Not only should the players be good sports, but the spectators as well. A good sport doesn't necessarily mean that the person is an athlete, so many people misunderstand the correct interpretation of the word.

A spectator that would yell just as readily for a person making a good play, even though he be on the opposition, one that is willing to pay admission to the games, thereby aiding the team, and one who will cheer lustily for good plays, watch and obey the cheer leader—is indeed a good sport, in the true sense of the word.

A player who avoids "dirty tricks," is clean in actions, does not try to grab all the glory for himself personally, and above all cooperates with fellow members of the team in securing teamwork shows a high form of sportsmanship.

SCHOOL

(Emma Deaver)

Pupils
School! School! How it gives me a pain,

It makes me feel like I'll go insane;
Oh, for a teacher who'd let us play,
And not sit and drum lessons in our heads all day.

Teacher

School! School! How it gives us joy,
As we sit hour by hour in its employ;
Oh, for a pupil that could understand
This great institution of our wondrous land.

That STEAK we got at The Farm Market, down on the Hendersonville Highway near Penrose, surely was tender, and gee! what a wonderful flavor.

Tharp Moves to New Home on Main Street

R. F. Tharp, the Plumber, makes announcement of removal of his plant two doors up on Main street, now occupying the corner building formerly occupied by the Canteen. Mr. Tharp has long been in the plumbing business here, and has installed some really big jobs in the town and county, of which he is justly proud, but wants it known, however, that he is just as proud of the smallest repair job entrusted to his care as he is of the biggest job ever done.

Display rooms in Mr. Tharp's place are most attractive.

MAYOR'S COURT

Only one case was tried in Mayor Ramsey's Court during the past week.

Malvin Zachary, a young boy, was tried on a charge of disorderly conduct. Prayer for judgment was continued on payment of costs.

BREVARD BOYS ON MARS HILL ELEVEN

The Mars Hill Mountain Lions swung into their final week of training grind in preparation to meeting the Rutherford College Ramblers at Memorial Stadium in Asheville next Friday. The games should prove to be one of the best played in Asheville this fall. Both teams are of junior college standing, are about evenly matched and in their meeting last year fought to a 12-12 deadlock.

The Mars Hill team is composed chiefly of boys from western North Carolina high schools. Three members of the squad hail from Brevard. Wilson Lyday, second string quarterback, Edgar Osborne and James Lumley, ends, all hail from Brevard and are expected to see action in the Rambler tilt Friday.
