

## Brevard Blue Devils Lose To Strong Mars Hill Eleven 12-0

Coach Tilson's Blue Devils, fighting through for their best game of the season, met defeat at the hands of the Mars Hill Tigers on the local gridiron, to the tune of 12-0, Friday afternoon.

The visitors featured their attack with cleverly executed end runs, brilliantly planned forward and lateral passes, while the Blue Devils failed in their aerial maneuvering.

Mars Hill's Tigers won their first touchdown, early in the first quarter after two right end runs had netted them over 40 yards, and a short pass 12 yards, by a stiff center rush, which pushed the ball across. They failed to make the extra point. The second touchdown of the game came in the fourth quarter, when the Tigers advanced swiftly down the field, thru the use of long passes and end runs, halting on the verge of the goal line for two downs and then carrying the ball over the center for six points. The try for extra points failed.

Edwards, visiting right half, and Stines, quarterback, starred for the Tigers, while Morgan, Schachner and Price were outstanding for the Blue Devils.

Edwards, for Mars Hill, ran for a 35 yard end run in the latter part of the second half, the whistle blowing for the half immediately after he was tackled.

Action lessened perceptibly in the second period, both teams relying more on passes and punts.

## CANTEEN MAKES NICE ADDITION TO CAFE

The Canteen, Doc Galloway's pride and pleasure and a popular eating place of Brevardites and Transylvanians in general, has been improved very much during the past week by the addition of several private booths in the large dining room.

In addition to the neat booths in the front part of the building, much improvement has been done in the kitchen, making The Canteen an altogether high class cafe.

### East Fork News

We're glad to tell the world that our East Fork-Rosman road is being rocked and sanded, too. We have thought for a long time that ought to be done.

Well, Selica, if you don't quit saying things to us, we'll just tell you heaps of things that we didn't think worth telling, just to prove that we do sometimes have happenings in our community.

We may have to tell you about folks going hungry and, well, we won't tell it now if you'll hush up. Now, aren't you afraid to say anything about being home sick for news from East Fork and running that "sister" stuff. Folks might think you once had been a native of our section and that you and I might be some relation and you know neither of us would stand for that.

The families of Jule and Mitchell Reynolds have moved to Brevard. Jack Heath and family are moving this week to the Dodd place.

Mr. and Mrs. Perry Taylor of Greer, S. C., and Mrs. Allison, of Cedar Mtn., visited Mr. and Mrs. Jack Heath last Thursday.

Miss Josie Reynolds is spending some time with Mrs. T. B. Head. Mrs. Warrior Mull and children, of Conestee, spent Sunday with Mrs. W. C. Gravely.

Mr. and Mrs. Will Gravely announce the birth of a daughter, Nov. 11.

Dr. Cannon, of Pickens, was the attending physician.

Mr. and Mrs. Jordan Whitmire and daughter, Miss LaVerne, of Rosman, were Sunday guests of Mr. Whitmire's aunt, Mrs. W. W. Gravely, Sr. Ralph Galloway and A. M. White spent Tuesday night of last week with Bob Gravely and Bill Dockins.

"You needn't tell me — I know Camel is the fresh cigarette!"

# Milder because they're fresh CAMELS are never parched or toasted!

FOLKS who smoke really fresh cigarettes made from choice sun-ripened tobaccos never have to give a thought to their throats.

That's because such fresh cigarettes retain natural moisture — and are gratefully smooth, cool, throat-friendly, mild.

Camels are the fresh cigarette — everyone knows that now — they're blended from the finest Turkish and mild Domestic tobaccos that money and skill can buy.

We would never dream of parching or toasting

these choice sun-ripened tobaccos — that would only drive off or destroy the natural moisture that makes Camels fresh in nature's own mild way.

The Camel Humidor Pack protects a fine cigarette fresh with natural moisture — it could do little or nothing to freshen a cigarette that is dried-out or factory-stale.

If you smoke for pleasure, see for yourself what freshness means in mildness and flavor — switch to Camels for just one day — then leave them, if you can!
