The fruit and preserve shower given the Brevard Institute by ladies of the Methodist church was a splendid success and the ladies of the church were well pleased with the cooperation they received in securing the fruits and preserves. West, pastor of the Methodist church, delivered the proceeds of the shower to the school and presented the items to them in a short speech at the dinner hour, before the entire student body.

Officials of the school and the students expressed their appreciation for the shower of abundant fruits and preserves.
