

HAYES OPERATING BREVARD BATTERY

Freeman Hayes, for a number of years owner and operator of the Hayes Motor company, doing a general auto repair business in Rosman, has taken over the business and plant of the Brevard Battery company on West Main street, and assumed control of the business Monday.

Mr. Hayes will do a general automobile repair business in his new place, catering to the public in all lines of the work, from the smallest to the largest jobs in overhauling and rebuilding. With an adequate battery and ignition department the new concern is advertising in this week's News that they are prepared for any emergency or chronic ailments peculiar to the anatomy of any part of any automobile. Willard batteries and a complete line of standard accessories and parts will be carried in stock at all times.

Associated with Mr. Hayes in the Brevard garage will be Austin Haged, who will be in charge of repairs, and "Pete," who is one of the politest and most efficient colored men in town. Mr. Hayes will continue to operate his business in Rosman, he announces.

PUPILS HERE ENTER IN SLOGAN CONTEST

Members of the Vocational Agriculture classes and Home Economic classes of the Brevard and Rosman High schools will be interested in a new contest sponsored by the Asheville Citizen-Times in connection with the "6-10 Year Organized Farm Movement" recently organized.

The contest is to find a suitable slogan for the Farm Movement. It is needed for publicity and quicker designation in a few words. It is hoped that some boy or girl of the 18 Western counties will supply one best suited.

Any boy or girl in Western North Carolina who is a member of a 4-H club or of a vocational class dealing with the farm or home economics is eligible for the prizes. A little change in the requirements has been made in that the use of "W. N. C." will not be counted as one of the three or less words. To illustrate "W. N. C. Organized Farm Movement" would be counted as only three words. As more slogans than one may be entered, the entrants can experiment and try to make up several of varying length. The shorter and snappier they are, the better.

First prize will be the winner's choice of a Jersey or Guernsey heifer calf; second prize a purebred show pig of any breed; and third, 100 baby chicks of any breed, which have been donated by the Farmers' Federation hatcheries at Acton.

The contest will be closed February 1, 1932. Judges will be announced later. All suggested slogans should be sent to Bruce Webb, director of promotion, care The Citizen-Times, Asheville, North Carolina.

Blantyre Breezes
