

BREVARD DIVIDES DOUBLE HEADER WITH BEARCATS

Local Girls Win From Hendersonville by 41-16 Score in Fast Game

BOYS LOSE TO VISITORS IN FIERCE STRUGGLE

Game Pronounced Best Ever Played On Local Court—Score 21-23

The Brevard basketball teams divided a doubleheader with the Hendersonville teams, girls and boys, Friday night on the local court before one of the largest and most enthusiastic crowds ever to attend a basketball game here.

The girls game was played first, was decidedly in favor of Brevard. The locals are coached by and throughout the fracas the score Miss Nancy Macfie, and she has developed a skilled sextet.

Pickelsimer, Townsend and F. Ponder led in scoring, Pickelsimer running up 12 points, Townsend 14, and F. Ponder 14. Scruggs made one point. M. Drake was high scorer for Hendersonville, making five points, Heaton five and Jones four. V. Drake added two points to the score, mounting the total to 16.

The boys game was a thrilling, fast, flashy, vivid game of basketball that brought the audience to its feet in many instances when an unusually clever play was executed. Hendersonville took the lead in the first quarter, placing two points to the locals' 0. In the second quarter the Blue Devils crept upon their rivals, passed their score, and held them in a spirited manner, the quarter ending 8-7 in favor of Brevard. The third quarter found the Brevard five still leading despite the fact that the visiting coach replaced his entire team with varsity players and the close of the third quarter revealed the score of 16-12 for Brevard.

Hendersonville, realizing that defeat was inevitable if they did not play a better game, snapped into the tilt with greater vim and the last quarter was a brilliant one, seldom seen on the basketball court. The score was tied during the fourth quarter until the Hendersonville boys advanced their score to 23.

Coach Tilson placed Hays Merrill in the contest during the final moments of play and this boy, though dressed in overalls which hampered his playing to a great extent, played an unusual game of basketball, which has never been excelled on the Brevard court. Merrill, fans are confident, would have won the game had he been placed in the game earlier in the quarter. He made five points during the short time he played.

Clayton was high scorer for Brevard with six points; Pickelsimer, Schachner, Shuford and Middleton made two points each.

STATE TREASURER WANTS HIS MONEY

This County Owes Big Sum to State's Literary Fund—Now Past Due

Raleigh, Jan. 20.—Fifty of the 97 North Carolina counties which have borrowed money in the past from the Literary Fund and the Special School Building fund to erect school buildings have been notified that they are expected to pay the principal and interest in which they are in arrears at once in a letter sent out yesterday by the new State Treasurer, John P. Stedman.

The amount the 50 counties are behind totals \$702,000, due and payable on December 15 each year, while \$89,000 of this amount has been due from six counties since December 15, 1930.

The Literary Fund has been in operation many years as an aid to the counties in erecting school buildings, the amount being about \$1,500,000, while the Special School Building fund is of later origin, having been in operation about a decade. In the latter fund the State sells its bonds and is required to repay the fund and pay the interest regularly. It lends the proceeds to the counties at the rate of interest it is required to pay, thus losing a small amount when interest and principal are not paid on time.

Treasurer Stedman points out that the late Captain O'Berry had given due notice to the school boards of the funds due, and advises that because the State must pay interest and repay the funds as they fall due, it is necessary for the county school boards to repay the State. The condition of the State Treasury requires prompt payment, he shows.

Moreover, Treasures Stedman said he plans to require counties to make payments of the 15-cent ad valorem tax due twice monthly from the counties, to be used by the State in operation of the six months school term.

Transylvania is one of the counties behind more than a year in its payments, having due \$8,394.38 December 15, 1930; \$539.60 due February 10, 15, 1930; \$539.60 due December 15, 1931.

DECEASED MAN HAD MANY FRIENDS HERE

An account of the death of Mr. E. D. Castle, of Easley, S. C., will be found below reprinted from the Easley Progress. Mr. Castle has a large number of friends here, among them being, T. T. Loftis, Mark Bagwell and Mr. Bill Henry.

Many hearts in Easley and the surrounding community, as well as those of adjoining counties, and the state of North Carolina, will learn with sorrow of the death of Mr. Edward D. Castle, who died suddenly from heart failure at his home on North 6th Street, Easley, on last Sunday morning about 8 o'clock.

Mr. Castle had lived more than 71 years on this earth, and during that period of time he had succeeded in living a life that won for him a host of friends, who will be sorry to learn of his going away.

The deceased was a conscientious reliable, business man, one of the few, sad to say, we find in the world today on whose word you can depend.

Mr. Castle leaves to mourn his death a host of friends, and the following relatives: His widow, who before her marriage was Miss Nancy Garren, of North Carolina; five daughters, Mrs. Homer Reeves, Mrs. J. W. Hughes, and Mrs. E. H. Adkins, all of Greenville; Mrs. Geo. A. Bagwell and Mrs. T. A. King, of Easley, one son, Wyman H. Castle, who was for a number of years mayor of West Greenville; thirty-seven grandchildren.

Funeral services were held from the Alice Mill Baptist church, on Monday afternoon, in the presence of a great throng of friends and relatives. The funeral services were conducted by Rev. R. F. Jones, pastor of the Alice Methodist church.

The following acted as pallbearers: J. S. Bagwell, J. H. Massingale, L. R. Owens, J. S. King, Reece Nimmons and Wade Gilstrap. The floral offerings were very beautiful indeed. The bereaved family have the sympathy of many friends whose hearts go out to them in their sorrow, and wish them to know that they shall miss him, too.

BUSINESS WOMEN PLAN MUCH WORK

Will Feed School Children for One Week—Scouts Are Major Objective

Brevard Business and Professional Women's Club, in their regular monthly meeting Monday evening, adopted plans that call for much outstanding work in the community for the coming months. The ladies were entertained at the home of Mrs. Margaret Sellers, with Miss Jeannette Talley as hostess.

Among the work selected to be carried out was that of providing lunches for the undernourished children of the Brevard Primary school for one week. These lunches will be tendered the children at the Joines Motor company building, all members of the club taking an active part in the work of the week.

One evening each week will be devoted to sewing and mending for the Welfare Board. This evening is to be designated by Mrs. O. L. Erwin who is in charge of the work here.

Plans were discussed for the observance of National Business and Professional Women's week, March 8-12. Details of the plans will be announced later. However, it was

decided to ask the Brevard Kiwanis club to meet jointly with the ladies during the week to plan constructive work in which both organizations would participate, possibly the underprivileged child work. These plans are under advisement by the Public Relations committee headed by Mrs. Mary Jane McCrary.

Furtherance of the Girl Scout movement in Transylvania county with the expressed purpose of adding more troops to the three now being sponsored by the Business Women. Miss Jeannette Talley of Penrose, is chairman of the Scout committee, and has three very active troops, two in Brevard and one at Penrose.

Mrs. Flax A. Lawrence, an active figure in the social and business life of Brevard, was elected active vice president of the club, and will preside at all meetings in the absence of Mrs. Lodema Robertson, president, who is recuperating from an illness in South Carolina.

Special greetings were given by the club to Mrs. Beatrice Lyday, who recently announced her marriage. Mrs. Lawrence, acting president, expressed to Mrs. Lyday the felicitations for the club to this member who has recently taken on the duties of homemaking.

One thousand breeding chickens have been tested for bacillary white diarrhea this fall in preparation for the coming poultry hatching season.

BURIAL FLAGS FOR VETERANS OF WARS

"Old Glory" burial flags for veterans of any war have been received by the Post Office department, Postmaster R. L. Nicholson announced Tuesday. The burial flags are beautiful, valuable creations and they may be used only for the funeral of a war veteran or a woman who has served as an army nurse, an official bulletin sent out by the Veteran's Bureau, explained.

The flags are five feet wide and nine feet and six inches long. They were made specifically for burial purposes and after being used in the funeral ceremonies, they go to the nearest relative of the deceased veteran or nurse for them to keep as their own.

When a veteran or army nurse dies and a flag is desired for the final rites, it is suggested by officials of the Veteran's Bureau that the nearest relative of the deceased appear before Postmaster Nicholson and fill out the application for the flag. The flag is given only to nurses and veterans who were honorably discharged from the service.

This is a splendid tribute from the United States government to her war veterans and the presentation of

UNION SERVICES ON FIFTH SUNDAY

Announcement is made that Union Services of all Brevard churches will be held on the Fifth Sunday evening in January, the service to be held at the Brevard Methodist church, at 7:30 with the Rev. Paul Hartsell, Pastor of the Brevard Baptist church in charge.

On each succeeding Fifth Sunday, throughout the year it is planned to hold these union services, rotating from church to church, with a visiting pastor in charge of the services. Much interest was shown in these meetings a year ago, and a spirit of closer relationship was by the churches as a result.

these flags to be used for funerals veterans is a token of respect and love for the citizens who fought and suffered in various wars, is the sentiment expressed by many who have heard of the government's offer.
