

MINUTES OF BOARD MEETING RECORDED

To Be Regular Feature In Future—All Minutes To Be Published

Following is copy of the minutes of this week's meeting of the mayor and board of aldermen, as prepared by Clerk H. H. Patton. These reports are to be given to the press each week, and published in their entirety in accordance with a resolution adopted at Tuesday's meeting of the board. The proceedings were as follows:

Regular meeting, Monday, March 7, 1932. Present: Mayor Ramsey and Aldermen Clement, Galloway, Macfie and Wallis.

Minutes of regular meeting of January 4th read and approved and the board proceeded to transact such business as might properly come before them.

Reports of Committees
Alderman Wallis reported that City Engineer Morrow had worked out a plan to improve conditions at the Kings Creek Intake and would submit same to the Water committee at an early date.

On motion duly seconded and adopted Clerk was instructed to notify local manager of the Standard Oil company of the conduction of bridge across Kings Creek just above Railway trestle and explain to him that a sign warning the public of this condition had been placed at each approach to this bridge some several weeks ago but that the said signs had been destroyed.

A letter was read to the Board by the Mayor which he had received from D. L. English complaining about checks that were made by the water collector on his Ladsonville tenant houses. On motion by Alderman Galloway, a resolution was adopted authorizing regular water charge against these houses in the absence of any special contract with said D. L. English.

Clerk read a letter received from C. F. Poole in which he proposes to pay to town the sum of \$5.00 per thousand feet for all the merchantable saw timber on the Norton's Creek water shed and fifty cents per cord for the acid wood. Alderman Ashworth and the Clerk were appointed as a committee to investigate this matter and make a report to the board at next call session.

On motion by Alderman Clement, seconded by Alderman Galloway, a resolution was adopted rescinding resolution of January 4th authorizing Treasurer to accept certain Town of Brevard bonds in payment of street assessments and interest thereon and to amend resolution of same date regarding property advertised for sale on the first Monday of March for delinquent street assessment, by post-

COMMITTEES ANNOUNCED FOR CHILDREN'S LUNCHEES

Mrs. A. B. Galloway, chairman of the food committee, has announced that the schedule for week of March 14 through 18 to provide lunches for the 49 undernourished children of Brevard Elementary school is as follows: Monday, open; Tuesday, Mrs. J. Mills; Wednesday and Thursday, Mrs. Carl McCrary and Mrs. Ralph yday; Friday, open.

ALL CANDIDATES IN FAVOR SCHOOL LAW

Raleigh, March 9.—All of the three candidates so far for the nomination for Governor have advocated operation of the six months school term by the State and from revenues other than on property—abolition of the 15-cent ad valorem tax. The next problem for them is to find revenues to take the place of the and the several millions spent supplemental funds to the State support. All have denounced the short ballot. All have called for economy in government.

Mr. Maxwell's suggestion that the state supply school books to patrons on a modest rental, as an economy move, and Mr. Ehringhaus' advocacy of the State maintaining streets, designated as State highways, through cities and towns, have struck responsive chords and give promise of being important supplemental issues in their campaigns. Mr. Fountain is advocating the present standard of schools as a minimum standard, to be approved upon as conditions permit.

Over 6,000 pounds of pasture masses and lespedeza seed have been sown by Harnett county farmers in the last few days.

Farmers of Clay county have organized a county board of agriculture to make plans for better farming in that county.

During the advertising of the property to May, at which time property will be advertised for the non payment of 1931 taxes.

Alderman Macfie offered a resolution to amend ordinance which prohibits skating on the streets of the town of Brevard wherein skating could be allowed on all streets except those designated as follows: Main, Caldwell, Broad, Gaston, Beaverville Road and Jordan from England to Gaston.

An order was made authorizing the publication of the minutes of the meeting of the Board of Aldermen in the local newspapers.

Motion adopted to adjourn.
..... Clerk.

BREVARD NEWS

NINTH GRADE BOYS PRESENT MOCK TRIAL

"Trust Miss Flett to do something to dispel the gloom of a rainy day," remarked a High School student last Thursday, as it was announced that the sophomore boys, under the direction of Miss Juanita Puett, would present a mock trial, "Deacon Flipper's Pullets." The case was that of Deacon Flipper versus Frizzle Frazzle. It involved the stealing of some chickens on "last Saturday night." As you have probably already surmised by its name, the cast was of "blacks and tans." Part of it was as follows:
Lady Rosebud, Harold Duckworth; Lawyer Lapear, Ed Clayton; Lawyer Tailfeather, James Deaver; Deacon Flipper, Charles Dickson; Frizzle Frazzle, Eugene Dickson; and the judge, Mack Allison.

FUTURE FARMERS OF AMERICA'S PROGRAM

Tuesday's chapel program was conducted by the Brevard Chapter of the Future Farmers of America, supervised by Prof. Glazener. The program was formally introduced as a regular meeting of this organization, for the purpose of initiating a dozen or so would-be-members. Having satisfied themselves on the score of their worthiness, the members proceeded to "initiate" the applicants. The initiation consisted of "scooting" between the legs of a line of boys, who were privileged to give each victim a hearty "wallop."

SENIOR-JUNIOR ACTIVITIES

Vague rumors are circulating about school relative to the Junior-Senior banquet. It is unauthoratively stated that various committees have already been appointed to begin lengthy preparation for the arrangements and details. In any event, we have reason to believe that this banquet is to be the "biggest and best one yet."

GIRLS BASKETBALL TEAM ON CAMPING TRIP

That long-talked of and eagerly awaited occurrence—the girls' basketball camping trip—is now a thing of the past. The haphazard manner in which the affair was planned boded no good, but the festive spirit of the group soon dispelled any doubt of gloom that threatened to oppress the campers. The site selected for this glorious occasion was the hunting lodge of the Sutton Creek Game Club. All the two days and nights were "chock full" of intense frivolity and hilarity. Sunday afternoon it was a tired but deliciously contented group that wearily turned their footsteps homeward.

The participants of the gala affair were: Ella Mae Scruggs, Ruth Pickelsimer, Emma Deaver, Mildred Norton, Mickey McIntosh, Mabel McNeely, Bertha Jean Hampton, Jane Pearce, Charlotta Patton, Langdon English, Walter Clayton, Dick Aiken, Joe Schachner, Bob Pearce, Ruffin Wilkins, Barney Schachner, Tommy Whitmire and Mose Macfie. The honorable chaperones were Miss Nancy Macfie and Mrs. S. M. Macfie.

BURKE TO PREACH AT ST. PHILIP'S CHURCH

The Rev. James Preston Burke, Secretary of the Diocese of Western North Carolina, will preach at St. Philip's Episcopal church Sunday evening March 13 at 7:30 o'clock. Everyone is invited to attend the services and hear this great churchman speak.

HIGH TYPE OF MEN COME FROM SECTION

Lieutenant John L. Reynolds, U. S. Navy, Officer in Charge of recruiting activities in the Carolinas, has completed his quarterly inspection of the Asheville recruiting station. The recruiting officer stated that he was well pleased at the results attained here during the past year, also that the young men recruited from this district were of the highest type being enlisted through Raleigh. The standard quota per month for the ensuing year is thirty-six (36) men, consequently a number of young men who have been waiting for the opportunity to enlist in the Naval Service will now get their chance. During his inspection of the Asheville station, Lieutenant Reynolds paid calls on the mayor, the postmaster, and the heads of the American Legion in Asheville.

DR. ZACHARY AND FAMILY DEPARTING

Will Leave This Afternoon for Seattle, Wash., to Make Their Home

Dr. J. F. Zachary and his interesting family are leaving Brevard this afternoon for Seattle, Wash., where they will make their home in the future. Dr. Zachary will open offices in the Western city and follow his profession there.

People throughout Transylvania and adjoining counties will regret the decision of the Zacharys to leave Brevard. Both Dr. Zachary and Mrs. Zachary have friends everywhere in these mountain counties, and both are popular in the religious, social and fraternal circles here. Dr. Zachary has long been one of the most active women in the town in church work and club activities. Dr. Zachary is Past Master of Dunn's Rock Masonic Lodge, its present secretary, and past Deputy Master of this district. He is a member of the board of stewards of the Methodist church; has been superintendent of the Sunday school and was formerly chairman of the board of stewards. During his long practice here in dentistry Dr. Zachary has made an enviable reputation in his profession, his proficiency in that work being one of the strong influences in his decision to go to a larger field.

Mr. and Mrs. Zachary and their children will take with them the best wishes of all the people of the community for a happy and prosperous residence in the home of their adoption.

HOW are you going to feel when you see everybody else with a NEW EASTER SUIT? Be sure and come Saturday and it will be here on time. T. W. Whitmire.
