

STATE EXPENDING VAST SUMS OF CASH

Raleigh, March 23.—The State of North Carolina spent \$1,773,769.61 of its general fund, about \$2,500,000 of it for public schools, during February, in which month it received \$1,289,044.38 in taxes, by which it is seen that it increased its overdraft of \$1,190,281.62 at the beginning of the month to \$2,375,007.07 at the end of the month, it is shown by the combined statement of the Auditor and the Treasurer for February.

The State highway fund paid out \$1,909,760.92 during February and received in taxes, largely on gasoline, \$2,419,167.68, thus increasing the \$5,756,281.33 balance at the beginning of the month to \$6,237,688.41 at the end of the month. During the eight months of the fiscal year the highway department paid out a total of \$32,817,089.13, and received only \$29,900,281.01, thus reducing the \$9,184,496.53 on July 1, 1931, to \$6,267,688.41 at the end of February.

In the general fund the Treasury has received \$21,456,378.82 and paid out \$21,595,187.80 in the same eight months, thus increasing the overdraft on July 1 of \$2,236,189.09 to \$2,375,007.07 at the end of February, in addition to \$6,302,371 in short term notes issued during that period.

The cash balance in the Treasury February 29 was \$5,505,341.49.

GOD'S WORD

Read Timothy 2, 3:15.
Paul reminded Timothy of his home training, "From a babe thou hast known the Sacred Writings." It is a great privilege to grow up in the atmosphere of Bible teaching. To have for ones teacher a godly mother, who whispers into the children the things of God's love, the counsels of heavenly wisdom. Those who have had such mothers should never cease to be thankful for them.

The reason for valuing the Scriptures is that they are able to make the reader wise into Salvation. There are different kinds of wisdom. A man may know of a great deal of science, literature, philosophy, and be very wise in this world's matters and yet not have found Salvation. It is very clear that this is not the true wisdom which falls to show men the way of Eternal Life.

The true wisdom is found in the Word of God, which reveals to us our need, and then tells us of God and Jesus Christ and of the way to be saved. This book may not answer questions about geology, astronomy, cosmogony and history, but it does answer all questions about duty about God, about the way of life. Someone tells of hearing a sermon in which he said the distinguished clergyman told him a great deal about the way from Jerusalem to Jericho, but did not tell him anything about the way from earth to heaven.

The purpose of the Bible is to make complete men women of us. If we follow it in everything it will show us the right way; it will reveal to us a perfect ideal of character; it will inspire us to make the best of life.

Living according to God's Word, we must be ever conscious that we are living in God's sight. Life is very serious. We often say it will be a solemn thing to stand before God in Judgment. Our common days are Judgment Days. We should learn to do everything as in the sight of God. This makes every act and word solemn. We should never leave God out of our life, nor do anything otherwise, than we would do it, if we saw the Divine Eye looking down upon us.

A PRAYER FOR GOD'S WORD

O Thou Divine God, Father, Son and Spirit, we thank Thee for Thy Book, our guide, our stay, our comfort. We know it is from Thee, and we know that Thou speakest to us through its words. O may we prize it and use it more and more.

Help us to reverence it, The Book, which Thou has preserved throughout the years with Thy troubles and dangers. Help us to find beauty in every line, since Thou has guided the men who wrote it; and the men who translated it; and so hast made it rich with Thine own glory. But O dear Jesus, above all else, let us see Thee every where in the Book, Thou Savior and Lover of men, who wast not content only to come Thyself, but hast left for our unceasing cheer this story of Thy mercy reaching from the beginning to the end of time, from earth to heaven.

"Upon Thy Word we rest, each pilgrim day,
This golden staff is best for all the way.
What Thou, our God hath spoken
Cannot be broken. Upon Thy Word we rest.
So strong, so sure, so full of comfort blest,
So sweet, so pure, the Charter of Salvation,
Faith's broad foundation.
Upon Thy Word we stand, nor cannot die,
God seals it in our hand, he cannot lie.
Thy Word that faileth never, abiding ever."

We thank Thee, Father, Son and Spirit, for it is Thy great goodness and will hold to Thy Word forever, Amen.

Negroes, Don't Give Up
"When I begin to think what life has meant to our race; it seems that all has been so dark; because of our black face.

"We try so hard to reach the top, but are pushed back into the rut, that is where they want to keep us, but negroes don't give up."

TYRE C. TAYLOR IS VERY BUSY PERSON

Raleigh, Mar. 23.—Tyre C. Taylor, Governor Gardner's executive counsel, is carrying on so many activities that one newspaper editorial squib suggested that it would be necessary to build more fires around him so there would be one for all the irons he has. In addition to his regular job, which includes pardons and paroles, he launched his "Ten-Year Plan," which attracted attention beyond the State, and now he has been elected president of Young Democratic Clubs of the nation.

Mr. Taylor fostered the organization of the young people of colleges and outside into Democratic clubs in several states, based on the organization he formed in North Carolina in 1928, to such an extent that he was elected head of the national group in Washington recently and is expected to spend some three months in Washington directing their activities, after the Democratic National Convention and before the election. His work has attracted the attention and received the commendation of many national Democratic leaders.

"The North Carolina Plan, Inc." is the name of the organization which will promote Mr. Taylor's "Ten-Year Plan" for rehabilitation of North Carolina, and work is to start on the three major projects at an early date, the board of directors decided at a meeting here Friday night. Reports on the projects were made and authority given for setting up an organization and starting activity. They include highway beautification, marking historic spots, protecting wild life, promoting a land, park and forestry policy and publishing a tourist map and monthly magazine; devise and adopt a uniform trade-mark for N. C. products and have an economic primer written for the public schools; enlarge and carry on the Live-at-Home program promoting farm industries, a campaign for thrift education, curb marketing and farmer's exchanges.
