A little booklet that may SAVE YOU from an AUTO ACCIDENT

It's brief. It's interesting. It contains the high lights from an extensive study of a class of accidents that cost \$4,400,000 last year—nearly a million in losses. There's no charge for it. The facts are set forth strikingly—some in pictures clearer than words, some in charts which can be grasped at a glance. Whether you drive or walk, the booklet will provide valuable information. A limited supply has just been received from The Travelers Insurance Company, Hartford, Connecticut. Call, phone or write for a copy of "Tremendous Trifles." If the demand exceeds the supply, we will order additional copies and send you yours with as little delay as possible.

W. O. W. DISTRICT NEWS ITEMS

Honor Roll Last Week

No. 291 Canton 10 applications, No. 213 Hendersonville, 2 applications. Canton says it this week with sixteen. The Canton boys say that Hendersonville remarked at Rosman Convention that Camp No. 213 would get more applications by October convention than any other camp in District. Will they? Asked Rhodarmar at meeting Friday night, Nol said several choppers. So now it seems the race is on between Canton and Hendersonville for high honors during next six months. They now stand Hendersonville 33, Canton 29. Then there is Forest City with 29 too. I will be at Forest City this week to find out what they have to say in connection with above race for the high honor camp.

Honor Roll for April

Annual Memorial Services, June 6th

Sovereigns: We must not forget to arrange for giving tokens of loving remembrance to our deceased sovereigns on June 6th.

A good plan is to attend church in body Sunday morning and clean up and place flowers on graves in the afternoon. You can get the pastor of one of your churches to preach a special memorial sermon if you arrange with him in time.

Its the duty of every Woodman to attend the Memorial Service, because we need to decorate the graves of our deceased sovereigns, thus to honor their memory and express our reverence for them. To strengthen the fraternal bond among ourselves by the ladies will be admitted free.

Mr. Lane extends an invitation to all the young people of the community and visiting persons to attend the dances.

The contest, which has been running for some time in our B. Y. P. U., is nearing its close and we are in great excitement as to which group

calling to memory the experiences common to us all; to encourage a more generous charity for our sovereigns; to show the necessity of caring for the widows and orphans requiring our assistance; by the prompt payment of installments, and to emphasize in the hearts and minds of all who may unite with us the privilege and duty of affording security for our loved ones when we have passed from our earthly life, and our hands, stilled by death, can never more provide for them.

How much insurance should I carry? Is a question often asked me. In the near future I shall take up this question and try to determine for those interested in the amount of insurance that should be carried by the man or woman in the different professions and walks of life.

Does It Pay to Let Insurance Lapse?

Here in Brevard several Woodmen dropped their insurance, then died leaving physicians, drug, hospital and undertakers bills to be paid by others or perhaps never be paid. Sovereigns! Hang on to that protection so when you pass on, no one will be able to say you could have, but did not do your duty.

The young men's Sunday school class bought the fertilizer and this land was planted in potatoes. The proceeds of which will be used to help finish the church.
