A little booklet that may SAVE YOU from an AUTO ACCIDENT

It's brief. It's interesting. It contains the high lights from an extensive study of a class of accidents that cost 34,000 lives last year—nearly a million injuries. There's no charge for it. The facts are set forth strikingly—some in pictures clearer than words, some in charts which can be grasped at a glance. Whether you drive or walk, the booklet will provide valuable information. A limited supply has just been received from The Travelers Insurance Company, Hartford, Connecticut. Call, phone or write for a copy of "Tremendous Trifles." If the demand exceeds the supply, we will order additional copies and send you yours with as little delay as possible.
