

## RESOLUTION WOULD SAVE SUM TO STATE

Necessary To Be Adopted By Senate To Become Operative—Big Sum Involved.

Raleigh, June 29.—Between \$250,000 and \$500,000 a year will be saved to North Carolina through operation of the McCormack Resolution, passed by the House, if and when it is passed through the Senate, exempting the State, and its subdivisions, from the excise tax contained in the new revenue measure, it is estimated by A. S. Brower, director of the State Division of Purchase and Contract.

The resolution was sponsored by Representative McCormack, Democrat, Massachusetts, who explained that it would not reduce the estimated revenues, as the taxes involved were not considered as sources of revenue when the new law was framed. Since the new revenue measure contains the "manufacturers' excise taxes," the State probably would not be able to avoid the taxes, Mr. Brower said.

The biggest item for this State would have been about \$100,000 on gasoline, while oils, greases, automobiles, trucks, school busses and automobile parts would have boosted the amount the State would have to pay to more than a quarter of a million dollars, and possibly to half a million, Mr. Brower estimates. Senator J. W. Bailey, in a letter to Mr. Brower, indicated that the only apparent reason for failure of passage of the measure through the Senate also is that it might be "snowed under" in the accumulation of pending measures.

Since the McCormack Resolution also includes "sub-divisions" of states it seems sure that municipalities, as well as counties and districts, will get the benefit of the rebates or refunds allowed under the resolution, amounting in all to probably close to a million dollars a year for the State, counties, cities, and towns.

## RED CROSS WORKERS WON FAVORS HERE

Water Pageant Was Brilliant Close of Splendid Training Event.

Approximately 1500 Transylvania county people attended the fascinating, skillfully planned water pageant presented by the faculty and students of the Red Cross Life Saving Institute which was held at Camp Carolina Thursday evening June 23.

The pageant displayed beautifully a wonderful story of a young princess who was forced into a number of harrowing experiences. The water work was excellent and the fireworks superb.

Creating wide comment was the work of Norris Smith who performed the comical diving and the young lady who executed a graceful water waltz to the music of a piano near the shore.

The pageant was said to be one of the most beautiful sights ever seen here, it combining several important lessons concerning water safety with theatrical practice of the advice given.

The institute had a faculty of 15 members and an enrollment of over a hundred, it having opened for a ten day session, closing Friday, June 24.

Pupils were here from 8 southern states, according to Mr. Eaton who is well known here, having made a number of acquaintances during former years when the institute was held at Camp Illahee.

Ish Williams, of Georgia Tech was among the group. Williams is training for the Olympic tryouts, which will be held in Cincinnati in July, and has been under Director Eaton for several months. He holds all southern conference records in aquatics and is national junior champion in the 100 meter free style class.

Director Eaton of Alexandria, Va., and Washington, D. C., was director of first aid and life saving for the southern and southeastern division and is an all-time worker with the Red Cross, and coaches the swimming class at Georgia Tech as a hobby. He is said to have over 300 actual rescues to his credit.

Harry Kenning of Philadelphia, director of the work in Louisiana, Mississippi, Alabama and Tennessee, was assistant director at the institute. He is regarded as one of the outstanding swimming instructors in the United States.

Among those on the faculty staff who rank high in the sports world are: Ross Allen, of Silver Springs, Fla., who holds the world's record for surface diving. Dr. Allen is a naturalist of note and operates the Florida Reptile Institute. He has won national-wide prominence in motion picture work, having assisted in making many underwater news reels at Silver Springs.

Jimmy MacMillan, of Cocoa, Fla., was in charge of boating. He has been instructor in Red Cross institutes held in Western North Carolina for a number of years. He was also dean of men at the institute. Lewis Tucker, assistant coach at the University of Chattanooga, was in charge of diving work. Dr. Otis Marshall, Culpeper, Va., was camp surgeon and physician. Norton S. Hodgson, captain of the swimming team at Georgia Tech, and N. Norris Smith, of Greensboro, who is a member of the national staff, were also present and assisting in the work.

Among the ladies on the instructional staff were: Miss Margery Mayer, of Tallahassee, Fla., director of aquatics at Florida State Woman's college; Miss Dorothy Telleon, director of physical education at Peabody college, Nashville, Tenn.; Miss Saint Clair Buis, of Charleston, S. C., director of physical education at Ashley Hall School for Girls; Miss Brownie Morrow, New York City, graduate of N. Y. U. and active in physical education work there.

Courses taught in first aid, swimming, diving, life saving, boating, canoeing, recreational swimming, pageantry and waterfront leadership.

Camp Carolina lake, one of the show places of this county, has been completely overhauled, with modern equipment added to conform with Red Cross requirements. Director Eaton is authority for the statement that Camp Carolina Lake, with its model waterfront and facilities, is the best fitted lake in the United States for this type of work.

## NUDIST NOT NUDE BUT ALMOST NAKED

Raleigh, June 29.—Wake county's Nudist Colony on the Neuse River bank has collapsed. It was found in magistrate's court that two of the three girls arrested were clothed in bathing suits, a little the worse for wear, to be sure, at two tents and in company with four young men. While there had been complaints about the camps, no evidence of Nudism or immorality was presented. The magistrate, however, gave the two girls short jail sentences, explaining it was on the somewhat unsavory reputations they have established, not on the camp episode. One of the young men was put under bond on another charge, for having a drink or two of intoxicant in his tent.
