· A Food Vitalizer NOT A PATENT MEDICINE CONTAINS NO ALCOHOL

Modern, Refined Foods, Improper Cooking and Poorly Balanced Diet Rob the Body of these Essential Elements so Necessary to Health. Science finds New Way to supply These Deficiencies and Rebuild the Body.

Medical science, constantly searching for ways to prolong life, frequently come forward with startling statements of their findings, but no more astounding announcement has been made in recent years than the statement of an eminent Chemist who now declares that "There is no natural death. All deaths from so-called natural causes are merely the end point of progressive acid saturation." An amazing statement indeed but a warning, that if heeded, should improve ing, that if heeded, should improve the health and well being, increase the
