District Manager

Last Weeks Trip

Last week I made a trip through McDowell, Rutherford, Cleveland, Catawba, and Caldwell counties to get first hand information regarding conditions pertaining to our work. I found most every mill and factory working full time, several working both day and night. I talked with Financial Secretaries at Old Fort, Marion, Forest City, Patterson Springs, Kings Mountain, Hickory, Hudson, Granite Falls and Lenoir. Most every camp in these counties will get several new members during fall months as a result of business conditions getting so much better.

Hickory Camp

I attended meeting of Camp No. 80 at Hickory the 9th. Every member there was very optimistic regarding future work of camp. Several good talks were made. Several members reported that mills in and around Hickory were working full time. One mill raised salaries ten per cent. Keep an eye on No. 80 until Christmas.

Kings Mountain Camp

I enjoyed a visit Thursday with Mr. and Mrs. Paul Pugh at Hudson. Sovereign Pugh is secretary of camp No. 158. I shall return there some other day around noon. Paul said we must have some applications this fall for No. 158.

Granite Falls Camp

R. C. Icenhour, Secretary camp No. 866, said he had been spending all his time trying to hold his old members during past few months. "Conditions are much better now," he said, "and I'm going after new members."

Forest City Camp

J. S. Porter, secretary camp No. 403, met me with a smile on his face. He said, "Our mill is now running day and night and we will get twenty or more of our suspended members back." Good news, Joe.
