VOLUME XXXVII

BREVARD NORTH CAROLINA, OCTOBER 6, 1932.

Number 40

NEWELL GIVEN BIG OVATION BY LARGE BREVARD AUDIENCE

In Excellent Manner Made Plea for Upbuilding Prohibition Law.

ALL IMPRESSED BY SINCERITY OF SPEAKER

Complimented Highly Upon Fairness and Frankness of Campaign Speech.

Hon. Jake F. Newell, candidate for the United States Senate on the Republican ticket, opened his campaign in Western North Carolina Tuesday afternoon with an address in the Transylvania county court house that was declared by many people of both political parties to have been one of the fairest, finest and most statesmanlike political speeches ever heard in Brevard. Despite the fact that continuous rain had fallen throughout the day, a large crowd came to hear Mr. Newell, and in the audience were many women and a large number of Democrats, with Republicans from every section of the county.

Mr. Newell is opposing the Hon. Robert R. Reynolds, Democratic candidate, and the main issue between the rivals is that of wet and dry. Mr. Reynolds standing for repeal of the 18th amendment, while Mr. Newell is an avowed dry. R. L. Nicholson, chairman of the county executive committee, presided at the meeting, and Hon. Lewis P. Hamlin introduced the speaker. O. L. Fitzgerald, district chairman, and Mrs. R. J. Tighe, vice chairman, came with the speakers and attended the meeting.

Preceding Mr. Newell's address Hon. Crawford F. James, Republican

SCOUT OFFICIAL IS IN BREVARD THIS WEEK ON BUSINESS

Tells of Value of Outdoor Living to Young People—Stresses Camping.

The new vigor and vitamin-giving devices have done wonders to bring health into the home, but nothing can ever take the place of a day spent in the fresh air and sunshine.

This is the opinion of Miss Ray Mitchell, a member of the national camp advisory staff of the Girl Scouts who is in Brevard this week.

"I am inclined to think that there never was a time when it was more important to get our girls out-of-doors," said Miss Mitchell. "They need to learn the real feel of nature and to get first hand experience in doing all the things that they see in the movies and magazines. Seeing a news reel of Martin Johnson on safari doesn't give one the same physical sensation as camping out oneself. Breathing the air in an air-conditioned room or sitting under the rays of a sunshine lamp gives one a feeling of well-being, but it doesn't give one the lasting and pleasurable memories of a day spent in the open air."

"On the Girl Scout camping trips," Miss Mitchell explained, "it is not only that the members of a troop learn the outdoors way of doing things. They are bound to absorb, consciously or not, some benefit from the natural change of scene. They can't possibly put up tents, build fires, cook meals, and generally cope with nature, without being benefitted by its co-existence. Physical fitness certainly gives everyone a feeling of assurance and mental fitness. The Girl Scouts who learn to feel the flow in mind and body that follows a day of activity out-of-doors, will always have a standard or natural fitness to live up to and to maintain as far as possible."

Girls who have never been camping become enthusiastic over this practical phase of the Girl Scout program, Miss Mitchell believes.

"I've never known a girl who did not enjoy it," she said. "The program is so complete and flexible, that the girl who can't find some way of fitting herself into it, must be very

WESTERN UNION IS CLOSED FOR WINTER

The local Western Union Telegraph office closed here October 1st. The office has been operated through the summer but during the winter months the business of the company will be handled through the office at the Southern depot in charge of Mr. J. E. Bishop.

Mr. W. E. Hood, who has been in charge of the office here will return to Canton where he will be connected with the company there.

Junior Order Glee Club to Give Free Concert Tonight

A very interesting program has been arranged by the local Junior Order to be presented tonight at the High School at 7:30 o'clock. At this time the Glee club from the Junior

Order orphanage at Lexington will give a concert. There are sixteen of the children, who will render this concert under the direction of the music teacher of the home.

There will be lectures by Junior

Order leaders and a three reel motion picture portraying some of the activities of this organization.

There will be no charge for admission and the public is cordially invited to attend.

GIRL SCOUT GROUP AT CAMP ILLAHEE

Leaders of the local Girl Scout organization will hold a meeting Friday afternoon and Saturday morning at Camp Illahee over which Miss Ray Mitchell, member of the National camp advisory committee will preside.

The following program has been arranged:

PROGRAM

11:30 A. M. for Leaders and Community Committee.

Organization—Expansiveness. How we get full value from National affiliation—

Round table.

1:00 P. M. Lunch.

3:00 P. M. Program—Optional.

7:00 P. M. Supper.

8:00 P. M. for all interested in Girl Scouting.

How to interest the Community in Camping.

Relation of C. C. to Camping.

Round table.

SATURDAY

10:00 for Leaders.

11:00 Sight seeing in Pisgah Forest.

PLUMMERS CLOSING SALE BIG SUCCESS

The closing out sale being conducted by the Plummer Company has proved to be one of the most stupendous selling events ever staged in Brevard. During the first day of the sale, last Friday, the store was packed with shoppers eager to take advantage of the numerous bargains advertised throughout the sale to a remarkable degree despite the inclement weather during the early part of this week. Sixteen clerks in addition to the cashier and floorwalkers were hardly able to take care of the throngs, the first two days of the sale.

The sale continues in full swing and will, according to Mr. Stackley, manager, be continued until the entire stock is sold out. There are still many big bargains but they are rapidly disappearing and those who wish to take advantage of this unusual opportunity will have to act quickly if selling continues as it has done, and it is indicated that it will.

The Plummer Company has been doing business in Brevard for fifteen years and during this time they have established a reputation for the high quality of their merchandise and the low prices that have always prevailed. Now they are selling this same high grade merchandise at prices that have been reduced to the lowest figure possible.

How long this sale will continue it is not possible to state but it will continue until everything has been sold and at the present rate of selling that will not be very long.

HOGSED TAKES OVER BATTERY STATION HERE

Mr. Austin E. Hogsed has purchased the entire garage equipment of the Brevard Battery Company formerly leased by the Hayes Motor Company.

Mr. Hogsed has had fifteen years experience in garage work and is prepared to offer the public unexcelled service along this line.

HIGH SCHOOL TAKES FIRST GAME PLAYED

In their first game of the season, played here Saturday, the Blue Devils of the Brevard High school defeated the Brevard Institute eleven by a score of 20-0. This was the second game of the season to be played by the Institute team.

The game was fast and furious, the Institute boys endeavoring to make up for their lightheadedness by using skill in effecting their plays. Brevard High, however, has a number of letter men, some of the most skillful players to be found on any team in this section, and this, combined with the fact that the team is heavy, gave them an advantage which the Institute lads failed to overcome.

Both teams, however, played a good game, and the coaches and players of both teams are to be commended for the splendid showing they have made in the short time they have had in which to get themselves in readiness.

Two of the players Mitchell King, of the Blue Devils and Gilbert Colina, of the Institute eleven were injured during the game. Young King's leg was broken while Colina's hip was injured.

MITCHELL KING IS INJURED IN GAME

Mitchell King suffered a broken leg in the football game Saturday afternoon between the Blue Devils and the Institute eleven. He was rushed to the Lyday Memorial hospital for treatment and is doing as well as can be expected although he will probably be confined to his bed for some time and will be unable to participate in the football games for this season, which is a very regrettable fact since he was regarded as one of the team's best players.

Gilbert Colina, who was also injured in this game is improving rapidly. He suffered a sprained hip in the early part of the game and received medical attention on the field. Colina is on the Institute team.

INTEREST KEEN IN DAHLIA SOCIETY

Considerable interest is being shown in the proposed Dahlia society here and plans are being laid to make of it a permanent organization. There is considerable discussion among interested parties who are of the opinion that such an organization will be of material benefit to this section since some exceptionally fine specimens of the beautiful flower have been produced here, many of them winning prizes at various shows throughout this section.

There is also considerable discussion relative to a proposed Dahlia show to be held in the fall of this year. At a meeting to be held in the class room of Prof. Glazener at the Brevard High school Friday night at 7:45 those interested in the Dahlia society will discuss this and the proposed show. While this meeting will be of particular interest to those interested in Dahlias all flower lovers are cordially invited to attend.

JUDGE P. C. COCKE TO SPEAK SATURDAY

Announcement is made that Hon. Philip C. Cocke, presidential elector for this district on the Democratic ticket, will speak at the county court house in Brevard this Saturday night, and a great crowd is expected to hear him. Judge Cocke is one of the outstanding speakers of the party in the district, and is recognized as one of the state's most forceful and eloquent platform orators.

Judge Cocke lives in Asheville, where he has practiced law for the past 25 years, and is well known in Brevard and Transylvania county. The public is invited to attend the meeting.

PRONOUNCE FAIR AS MOST SUCCESSFUL EVENT OF ITS KIND

Much of Credit for Great Success Given To Young Tar Heel Farmers

EXHIBITS WERE BEST IN HISTORY OF FAIR

Interest In The Fair Said To Have Been Greater Than Ever Before

The third annual Sylvan Valley fair held at the High school here Saturday was the biggest and best since its inception, not only in point of exhibits but in interest manifested by both participants and spectators.

The entire lower floor of the school building was given over to the various exhibits, both individual and community, while the garage and grounds were used for the poultry and livestock exhibits.

No small part of the credit for the success of the fair this year is due to the Young Tarheel Farmers, who have devoted a great deal of time and effort to make this, the outstanding fair it proved to be. And the women of the county, with their contribution of canned goods, fancy work, flowers and other things were largely responsible for the success of the community and township exhibits. The Home economics class exhibits were the best ever offered and Professor Glazener, who directed the activities and to whom much credit is due, is greatly pleased with the way in which all these people lent their

PRIZE WINNERS AT ROSMAN FAIR FEEL PROUD OF VICTORY

Exhibits Included Every Product of Farm, Field, Garden and Home

ALL CITIZENS PROUD OF COMMUNITY SHOWING

Agriculture and Home Economics Classes Given Much Credit For Success.

The annual fair at Rosman this year proved the best ever staged both as regards the attendance and the number and attractiveness of exhibits, individual and community.

To Prof. Corbin, the vocational agriculture class, home economics classes goes the major credit for the success of the enterprise although these workers stated emphatically that had it not been for the loyalty and cooperation of the people of Rosman and the communities in that section the event would have been "just a fair."

Never have such fine exhibits been on display in this section. Farm products, Garden produce, canned goods, fancy work, live stock and poultry proved to the large number of visitors Saturday that this section of Transylvania county is most assuredly alert to rapid progress being made along these various lines.

The inside exhibits were on display in the Gymnasium and this building was crowded throughout the day to the point of suffocation, with eager spectators who enthusiastically

(Continued on Page Six)

BREESE TO ADDRESS VOTERS OF QUEBEC

Hon. Wm. E. Breese, chairman of the Transylvania Democratic Executive committee, will be principal speaker at a meeting to be held at the Quebec school house this Friday night, 7:30 o'clock. W. B. Henderson and other leading Democrats of the upper end of the county are in charge of the meeting and have requested that all members of the party in the Quebec section be present, and issues an invitation to the public to attend the meeting. Many of the county candidates will be present.

BUILDING AND LOAN ASSOCIATIONS MAY EXTEND MATURITY

Establishment of Home Loan Bank In State To Aid Institutions

Raleigh.—Building and loan associations in North Carolina are now considering and may soon adopt a plan of extending maturities of building and loan stock over a greater number of years, thus permitting the man with a small income to get into the class of home owners at a smaller cost. O. K. LaRoque, director of the building and loan division of the state insurance department, states:

Heretofore, the associations were required to have the money on hand for investors who are not borrowers, when their stock matured in some less than seven years, but the Home Loan Bank, soon to be established in Winston-Salem, will provide them with these needed funds and permit them to carry for longer periods other share holders who are paying for homes, he said.

Illustrating, he said that 25 shares of building and loan stock require payment of \$25 a month, or if a loan for that amount is taken out by the share purchaser, the interest of \$12.50 brings the total payment to \$37.50 a month, in order to mature it in slightly less than seven years.

On the other hand the share purchaser who borrows to pay for or build a home, could pay \$25 a month, \$12.50 on the loan and \$12.50 interest, and mature his shares in approximately 12 years. The point Mr. LaRoque makes is that if some of the shares of building and loan associations are so aimed as to mature in about 12 years, instead of about seven the payments would be reduced about one-third and a large class of citizens, unable to pay the principal and interest payments now, would be brought into the group of home purchasers and owners under the reduced payments.

Mr. LaRoque has been advocating this plan and numbers of the associations are looking upon it with favor now that the Home Loan Bank are soon to become permanent adjuncts and will be prepared to supply them to carry the shareholders over a longer period than they could have done without the Home Loan Bank help.

HUNDREDS ATTEND FAMILY REUNION

Great throngs attended the McCall Reunion in Brevard last Sunday, and heard some of the best singing ever enjoyed by the members of that important family. Mayor R. H. Ramsey delivered the address of welcome, and Clyde McCall responded to the address, both speeches being greatly enjoyed by the big crowd that taxed the capacity of the court house. Many people were grouped about the court house, unable to find room inside.

At the noon hour a picnic dinner was served. All old officers were re-elected, and the Reunion will meet in Brevard again next year.

White and Black Communist Ticket

William Z. Foster, Communist candidate for President (at left) and James W. Ford (negro) Vice-Presidential candidate, are fighting for a place on the North Carolina ticket in the November elections.

PIEDMONT CAROLINA CONCERNED ABOUT RAPID GROWTH OF COMMUNIST PARTY

(By Jeff Palmer)

Charlotte, Oct. 5.—While the people of the mountain section are entirely free from the influences of the Communist party, the Piedmont and eastern sections are not so free. It is known that the people of the mountains have not as yet realized the danger in the activities and growing influences of the communists.

Determined efforts are being made by a communist group in this state to have the names of its presidential electors printed on the official North Carolina ballot to be used in the general election of November 8th.

The first legal skirmish was lost by the communists on September 16th, in Raleigh, when Judge N. A. Sinclair denied a plea for a writ of mandamus to force the state board of elections to place the names of the communist electors on the ticket. The state board of elections has taken the position that names of electors other than those of the Democratic and Republican parties will not be printed on the ballot unless lists of candidates of other political parties are accompanied by declarations signed by 10,000 voters of the state certifying

that the reputed parties is such. It is understood that the communist organization intends to carry the fight to the supreme court and J. Frank Flowers, Charlotte lawyer, attorney for A. W. Keller and others of Charlotte, said to be candidates on the communist ticket, are awaiting instructions from the group to take the case before that body.

The communist national ticket is headed by William Z. Foster, of New York City, secretary of the Unity League, candidate for president of the United States and James Ford, negro, of Pratt City, Ala., candidate for vice-president. Foster was arrested in Kansas for burning wheat fields to shorten the food supply in order to handicap the American forces in France during the World War. At that time he was a high official of the I. W. W. Ford is said to have been very active in aiding in the defense of the nine negroes arrested at Scottsboro, Ala., and convicted of the rape of two white girls for which they have been sentenced to execution. They are now in Kilby
