

DIPHTHERIA CLINIC TO CONCLUDE WORK HERE SATURDAY

Children of County to Be Given Second Treatments by Dr. C. L. Newland.

TRANSPORTATION TO BE FURNISHED BY BUSES

More Than 700 Children Given First Treatments On Friday November 5th.

Children of Transylvania county will be given the final treatment for immunization against Diphtheria Saturday.

More than 700 received the first treatment Saturday, November 5. It was stated at that time that two treatments would be necessary and it is this second one that is to be given Saturday.

This clinic is being sponsored by the local Kiwanis club, which furnishes the vaccine used in the treatment and Dr. Newland administering it without charge to those who are unable to pay for it.

This is being done to guard against an epidemic which was threatened. Only two deaths have been reported in the county.

GAS STATION ROBBED IN HENDERSONVILLE

M. A. Pollock, Jr., operator of the Standard Oil station at Fifth avenue and Fleming street, Hendersonville, next to the Ambassador apartments, was the victim of a hold up Monday morning about eight o'clock when two unmasked negroes entered the station and threatening him with a gun made off with about \$24 in cash.

The negroes entered the station shortly after it opened, according to Mr. Pollock, and while one of the men kept him covered with the gun the other took the money from the breast pocket of his working clothes and left, cautioning him not to follow. They went south on Fleming street. Pollock called officers as soon as they had left and they began a search for the men one of whom was described as being tall and well dressed and the other as large and wearing working clothes. So far they have not been apprehended.

BAGWELL ARRESTED WEDNESDAY NIGHT

Clarence Bagwell was taken into custody Wednesday night of last week as a result of an attack on Church Morris, night officer. According to reports, Bagwell was intoxicated and attempted to resist arrest. It is said he knocked Mr. Morris down and that in order to protect himself Morris drew his gun and was forced to fire when Bagwell continued his onslaught. The gun was knocked aside and the shot did not hit him.

Bagwell was taken into custody and is being held in the county jail on charges growing out of the affair.

Principals of each school in the county will serve as community committee chairman to solicit the county districts.

The Rev. Harry Perry, rector of St. Philips Episcopal church, is roll chairman; Jos. S. Silverstein, chapter chairman; Alex H. Kizer, treasurer, and Mrs. John W. Smith secretary of the local Red Cross unit.

Much work has been done by the Red Cross in Transylvania during the past year, and this is being stressed by workers in the membership campaign as reason for one hundred per cent enrollment in the organization. More than 5000 yards of cloth have been received and distributed in the county in the past few months; two car loads of flour have been distributed to needy families; yeast for treatment of pellegra cases, and hospitalization of cases unable to pay, are some of the work for which the local chapter has been responsible during the past year.

COMPENSATION ACT SAID JUSTIFIED

Raleigh, Nov. 16—Transylvania county reported 288 industrial accidents cases in 1930-31, as compared with 149 in 1931-32, the injured workers receiving \$9,329 in compensation in 1930-31, as compared with \$1,889 in 1931-32, while medical costs, going to doctors, hospitals and druggists, in 1930-31 amounted to \$2,720, as compared with \$2,240 in 1931-32, the comprehensive biennial report of the N. C. Industrial Commission just issued shows.

Of the total 149 accidents the past fiscal year in this county, 100 were medical only; that is, the workers lost less than one week of time and received no compensation for time lost, having medical bills paid only; 30 resulted in death, one left the worker with a permanent but permanent disability, and 48 were disabled for a limited period, the report shows.

The Compensation Act is justified, it is pointed out, in that the several counties of the State are relieved of many charity cases heretofore resulting from industrial accidents—that many civil terms of the courts, with attendant costs paid from county funds it is claimed, have been saved. The physically handicapped worker
