## TRANSYLVANIA

### We Buy From *HIS PRO*

It would be an "eye-opener" section to know just how many loads, of produce, poultry and from the good farmers of Trans and year out our place has much that has been grown in shipped it to other sections, by somewhat larger quantity wh sidered.

The farmers and poultry us in every good way, and we turn, to bring to the farmers o money that could be obtained products.

Agriculture, stock raising a Transylvania county, end restore bu

### We Provide The *ITS HEAVY GRO*

Handling of Heavy Groceries has the most important departments in o ing grain from farmers here, shipping soon resulted in giving us connections etc., direct, at prices that we could, j people at lower prices. The same p, to cured meats. Then we added (i many other articles, selling at price those who like to save every penny

Many people in Brevard beca tomers until now our sales are cov satisfied customers are numerous, e "side issues" that is most profitable ever, is that so many of the town farmers at our place that a greater the problems of one another has res are now ready to admit that
