more it is clear that when a man or a woman must go one mile the only spirit that can save their soul from bitterness is the willingness to go two.

## A PRAYER

My Father God, give me the larger sense of Thy Presence among the children of men. May every life be to me as holy ground. May the common bush flame with the secret fire. May I see the glory on the Common Road.

Teach us that both the depth and delicacy of Nature are revealed, when in our human relationships men and women are serviceably grateful to one another or when they interpret their religious life as Benjamin Franklin did in his daily morning prayer: "Accept my kind offices to Thy other children as the only return in my power for Thy continual favors to me. To this grace help us to see that the New Testament makes its habitual appeal. We should love others because God first loved us. We should forgive our enemies, because we have been forgiven. We should lay down our lives for the brethren, because Christ first laid down His life for us. We should love even our enemies because God's impartial care has included us all, just and unjust, good and evil. We should be kind one to another, even as God also in Christ forgave us. Use us our Father, for Thy Purpose even as water carriers and love bringers, to those whose souls are parched and desolate here. Let us go forth upon our daily journey knowing that Thou wilt help us to bring beauty and sweetness to those who know it not. Above all, our lives, we beseech Thee, be the love of Jesus Christ. Make us as kind as He was, following His example in thought, word and deed. Guard us against all that empoison our relations to others. Fill our hearts with true charity in judgment and in utterance. Let us seek to be better than ill, in the lives of those around us, that we may help to bring the world for the Day of the Christ. Amen.

## IN MEMORY OF SONNY BOY LEACH

In the going of Sonny Boy Leach, God called one of his most precious little flowers home to help brighten his home in Heaven. Sonny Boy, who lingered on this earth long enough to endear himself to all who knew him, and had learned to love, was the precious and only son of Mr. and Mrs. M. L. Leach of Ocala, Florida.

Although we shall never see his darling face and sweet smiles on this earth again, the smack of his little lips and winning ways will never be forgotten, by those who loved and cherished the little fellow.

But dear friends, let us not think of him as dead, let us remember him as the little "Sonny Boy" who played at mother's feet with his little play toys, chased sister over the house with her school books, and who always greeted his daddy with a smile, and a "ah" when he came home at night from work.

Let us, dear friends and relatives, trust and obey, and meet "Sonny Boy" in Heaven some day.
