Fire last Friday night about eleven o'clock totally destroyed the dogwood plant near the depot operated by Mr. Wilkie. As soon as the fire was discovered the alarm was given and the fire truck made a quick run to the scene, but it had gained such headway in the wooden structure that it was impossible to save the building. By hard work on the part of the firemen the large stock of wood stored on the yard was all saved. We understand that the loss on the plant and machinery is estimated at about \$2,500, partially covered by insurance.

**Does This Concern You?**

Are you satisfied with your life? With your soul? Do you think "The Heavenly Father" is satisfied with you? Are you doing your very best for Him?

If you have tried to climb the ladder of success and failed, who did you blame? Do you believe if you had surrendered your soul completely to the Lord and asked Him to help you succeed, that you would have succeeded? Through Him we can do all things. Without Him we gain nothing.

Have you surrendered your life to Him? If not, don't you think it's time?

We should never have to do spring cleaning like the housekeeper, but keep our hearts clean the whole year round. We can if we will trust in "Him who doeth all things well."

We should be ready and willing any time to do the little deeds of kindness which fall in our path every day, for it's the little deeds that count. We don't have to travel the world over to find them, just look all around you, and you'll find some one in need. We all remember the song, "Help Somebody Today." We should help some one every day. And we can.

I don't care who you meet, if you smile and speak to them, it makes their hearts lighter and you'll feel better. Try it and see.

If you feel down hearted and out, you meet one of your friends, wouldn't it make you feel worse if this friend passed you without noticing you? That's exactly the way one of your friends would feel if you treated them that way.

No one would pass "Our Savior" and not speak to Him. No, we wouldn't be worthy to speak to Him, we would fall at His feet and beg His forgiveness for our sins. Then He doesn't want us to pass any one else and never speak, for He says, "Inasmuch as you did it unto one of the least of these, you did it unto me."

If we practice this way of living and keep our souls clean we will be much better prepared to meet "Our Savior" and He'll be better satisfied with us, and we'll be better satisfied. Try it! "AUNT DINAH."

**A Lone Exception.**

"Somebody is always offering to make you rich."  
"That's a fact," said the credulous citizen.  
"But did a man ever attempt to make you take cold cash without having a string tied to his offer?"  
"Only once, but after his keeper had called me aside and explained the situation, I handed it back."—Birmingham Age-Herald.
