

**CLUB NOTES**

Conducted by the Womans' Club

Motto: For the Public Good.

**Officers:**

- President—Mrs. John Arrendale.
- Vice-Pres.—Mrs. J. Q. Wallace.
- Treasurer—Mrs. W. B. McGuire.
- Cor. Sect'y.—Mrs. G. A. Jones.
- Secretary—Mrs. T. J. Johnston.

The P. T. A. met at the school building. On account of bad weather there were only a few member present. A short business session was held and the club adjourned.

We need a little more enthusiasm from our members. A few members can not make the Club what it should be. Every mother in the district is urged to attend these meetings. Surely we can give an hour or two each month to the betterment of conditions for our children.

**Feed the Cow Better**

"Many farmers in the mountains sections particularly, turn the cows into a shuck pen or let them browse around the straw stack and think this is all the food these animals need says J. M. Gray, assistant director of extension and state agent in charge of farm demonstration work. "This is a mistake. The young heifers which freshened this spring or which will freshen next spring are still growing and they need feed and attention. A good grain ration for these animals is made by mixing one part of corn, one part of oats or bran and two parts of cornmeal, feeding four pounds of the mixture each day to each animal."

Many people do not  
Expect to get value  
Received when they spend money. If you have  
Reached that decision, let us convince  
You that you are wrong.

Consequently we invite you  
Here to our store where you will find  
Real bargains in household furnishings.  
It is our desire to  
Stand squarely by our customers and  
To prove to them that they can save  
Money by trading with us  
At all times of the year and most  
Surely during the Christmas Holidays.

**STALLCUP FURNITURE COMPANY**

Mr. Jack Wilson of Sylva spent the week end in Franklin looking over the situation and considering the prospects for a first class restaurant in Franklin. No doubt a restaurant of this kind in Franklin would pay handsome dividends.

"The Covered Wagon" was made in the raw Utah desert 90 miles from a railroad. Five thousand actors, including 2000 full blooded Indians took parts in making this picture. Idle Hour Theatre, Decembet 15th, 16th, 17th.

Apples of better quality are coming down out of the mountains this year due to more knowledge about pruning, spraying, cultivating and fertilizing the trees. The growers report that they are now making more money, too.

**Your Greatest Opportunity**

Some time ago we heard a casual remark on the street to the effect that Franklin needed a clothing store for men and boys. While we had been carrying a certain amount of men's and boys' clothing for years the remark set us to thinking, and we decided that the man who made the remark was absolutely right. Consequently we got in touch with two of the best known clothing houses in the world—"Shield Brand" and "Block's Perfect Fit Clothing." We bought a large stock of clothing for men, and young men, youths and boys from the firms mentioned above and are now fully prepared to meet the requirements of every one in the county who needs a classy, perfect fitting suit. The prices are the lowest possible consistent with quality.

A new suit calls for a new hat or cap. We carry a complete line of the T. D. Stokes' hats and caps for men and boys. The whole wide world knows that Stokes' headwear is the best made and that the prices are exceedingly reasonable.

The "Paramount Luggage"—handbag, suitcases and trunks—are the best on the market. We have a complete line of these articles. Trunks are priced from \$5.00 to \$40.00.

Our Notion Sample Line is complete in all respects and the low prices will surprise you.

As the years have passed into history, each with its troubles and sorrows, happiness and joys, we have constantly endeavored to treat our fellowman as we would have him treat us. And now on this jolly Holiday occasion we take this opportunity to thank our friends for past favors and to wish them a Christmas and New Year filled with sweet memories that are everlasting.
