FRANKLIN HARDWARE COMPANY

**MANUFACTURER HERE**

Mr. H. Morris Teaf, one of the most prominent clothing manufacturers of Philadelphia, spent Monday in Franklin with Mr. and Mrs. Lee Barnard. Mr. Barnard has been engaged for the past 25 years in selling the clothing manufactured by Mr. Teaf.

Mr. Teaf was in Franklin three years ago and while on his recent visit stated that he is astounded at the progress Franklin has made since his last visit. He also took occasion to advise against holding lands at exorbitant prices and cited one or two towns in this part of the state where real estate activity has somewhat slowed up because of high prices. He suggested that a driveway be made around Lake Emory, saying that this would be of great benefit to the town.

**New Telephone Directory**

The Western Carolina Telephone company has had a new directory printed which is being distributed this week. The directory contains 225 names of subscribers, being an increase of approximately 60 over the number obtaining when the present company assumed charge of the local telephone exchange a little over a year ago. This increase in the number of telephones is an excellent index to the growth of Franklin for the past year. It is likewise a compliment to the new management.

**Be Neighborly!**

If you are one of those who have written for The Charles William Stores' Catalog of big bargains and have not received it we are sorry. The reason is, an amazing demand for this book has exhausted our supply. We earnestly ask you to borrow a catalog from one of our customers—there are many in your community—and we are sure they will oblige you . . . and us.

Of our old customers we ask please help us and your less fortunate neighbors by loaning them your catalog for awhile.

We could not foresee how great the demand would be for this catalog and as our Special Midsummer Sale Catalog will be published so soon—May 15th, it seems hardly practicable to print a fresh supply of the big book before the special sale catalog is out.

We have all the big bargains that have made our catalog so popular and created the huge demand, but unfortunately we have no more books. However, if our old customers and new ones will co-operate with us they will render a real service to us and to their neighbors. We thank you.

*Varnished floors that last*

You want varnish on your floors that will withstand hard usage. No matter what kind of floor varnish you use it will look good right after it is put on, but time will prove whether it delivers the service it should, and for which you pay.

When you see a can of floor varnish with the Pee Gee label on it you don't have to look farther. You can depend upon it and we back that up, too.
