

Sylva Couple Observed Their 50th Wedding Anniversary On Sunday

Mr. and Mrs. John V. Ashe, of Sylva, observed their fiftieth wedding anniversary at their home on Sunday afternoon from 1:30 to 5:00 o'clock. Both are natives of Jackson county and have resided in Sylva for the past 35 years. They are members of the Sylva Methodist Church.

Mrs. Ashe was before her marriage, Miss Ellen E. Bumgarner, daughter of W. H. and Sarah Bumgarner, who resided near Love's Chapel in this county.

Mr. Ashe is the son of William Marion and Samantha Ashe, also of Jackson county. He was employed by the Tannery for 32 years until he retired a few years ago.

"I feel young inside, but I guess after being married 50 years, I should feel pretty old. Outside of a few cross words we have enjoyed our whole married life," said Mr. Ashe in speaking of his fifty years of marriage.

"We are well and happy today and I believe that having always given the Lord a tenth of what I

have made has had something to do with our being happy," he continued.

Despite his 74 years, Mr. Ashe is able to work around the place and last spring when he could not get a man to plow his half-acre corn field, he tackled the job with a pick and a hoe and had the finest crop of corn he ever raised.

Mr. and Mrs. Ashe are parents of twelve children, seven of whom are living. They are: J. B. Ashe, of Rock Hill, S. C.; Mrs. L. B. Rhodes, of Raleigh; A. E. Ashe, of Durham; and W. M. Ashe, J. E. Ashe, and Mrs. W. G. Cunningham, of Asheville; and Mrs. W. H. Crawford, of Sylva, and ten grandchildren.

Miss Joleen Patterson has accepted a position with Mr. Shaffer of the Colonial Mica Corporation.

Mrs. Maude Bumgarner and Miss Jessie Frizzelle spent last Sunday in Franklin.

W.C.T.C. Students Hear Former Idaho Senator

The Honorable James P. Pope, former U. S. Senator from Idaho and present director of the Tennessee Valley Authority, spoke to the student body of Western Carolina Teachers College in Hoey Auditorium on Thursday, November 3. Mr. Pope came to the college from his headquarters at Knoxville.

Cooperative Effort and its Relation to Future Peaceful International Relations was the subject of his address. Mr. Pope discussed the work of the TVA in providing rural electrification and power to immense areas as an example of one worthwhile accomplishment of true cooperation. He advocated some type of international union after the war through which larger powers can team-up and thwart any designs militaristic nations may have toward small defenseless countries. "We definitely can and must do this without surrendering any of our sovereignty," the speaker stated.

Why VICKS Is So Good

For Relieving Miseries of Childrens Colds

More than two generations ago—in grandmother's day—mothers first discovered Vicks VapoRub. Today it is the most widely used home-remedy for relieving miseries of children's colds. And here is the reason . . .

The moment you rub VapoRub on the throat, chest and back at bedtime it starts to work two ways at once—

and keeps on working for hours—to ease coughing spasms, help clear congestion in cold-clogged upper breathing passages, relieve muscular soreness or tightness. It promotes restful sleep. Often most of the misery of the cold is gone by morning! That's why VapoRub is so good to use when colds strike. Try it!
