

Sylva's Original Furniture Store

When Sylva was Young and you couldn't buy a suite of furniture in Jackson County, this firm began business—the business of making life more comfortable and more pleasant in the homes of Jackson and the surrounding counties.

Today, we are leading the Furniture field with

Four Floors of Fine Furniture

Sometimes, during the war, we, along with all other furniture dealers, have not always been able to fill the needs of the people. The war is over. Reconversion to peace-time production and peace-time living has begun. Soon we will be able to fill all the orders for furniture and household appliances that our trade demands. Place your orders now for delivery at the earliest possible date.

ELEVATOR SERVICE TO EVERY FLOOR

"Now and then, we like to contact our friends with no other motive except to give a word of greeting, and to tell them how much they mean to our business. And could there be a better time to do this than on the beginning of a new era of prosperity—the end of World War II?"

It has been good to trade with you these past years—good to know you. We shall continue to merit the reputation for fair play and absolute dependability.
