A BIG JOB OR A SLIGHT ADJUSTMENT

Both Receive Our Best!

We are specialists in car care—but though we are equipped and staffed to practically rebuild a car, we are equally glad to receive your confidence in correcting the least auto defect. Our chief concern at this time, is to help keep every essential car on the road . . .

and to make it possible for all the car owners to make their cars last until new ones can be purchased. Rely on us when it comes to your car! And you'll be better able to rely on your car for safe driving. Let us keep your cars and trucks running.
