Eight Graders Mix Fun And Study

The newcomers of the Sylva High school, the eight graders, have combined fun and study in their school work. A softball team, and a good one, has been organized and three times a week health outdoors is observed.

Chaperoned by Mrs. Donnahoe, one section of the eight grade enjoyed a picnic at Dills Cove Falls, the other groups going to Paris Mountain with Mrs. Davis and Mrs. Fortner. The eight grades state that science with Mrs. Fortner is fun as well as English and math with Mrs. Donnahoe and Mrs. Davis.

Citizens of the town are scheduled to see a lot of ghosts and spooks on the night before Halloween as this group of students are planning a big party at the Club House.

They have chosen as their candidate for the harvest Queen, Eddie Lou Terrell and are positive with her locks that they will win. Officers for Mrs. Donnahoe's class: President, Jim Bob Hall; Vice-President, Doris Middleton; Secretary, Bobbie Nell Ensley.

Mrs. Fortner's room: President, Elizabeth Ann Dillard; Vice-President, Mary Ellen Cassade; Secretary, Jeannette Moore.

Mrs. Davis' room: President, Dennis Ensley; Vice-President, Dearl Monteith; Secretary, Jo Anne Moody.

Kidneys Must Work Well-

For You To Feel Well
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly. Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at nights, swelling. Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.
