What Do You Think?

By REV. C. M. WARREN,  
Pastor Sylva Baptist Church

Do you know of anything more important than for a man to think? How wonderful God made each of us! God gave to us our minds, and with that gift he gave the power to think. Life would not be worthwhile if we were not endowed with the capacity to use our minds which brings about understanding and satisfaction. How do you use your mind? What do you think about? How careful are you in permitting things to come into your mind about which you think much?

The wise man of old, under the compulsive power of God, said, "For as he (a man) thinketh in his heart, so is he. "You have heard someone say, "Your actions speak so loudly until I cannot hear what you say." Yes, actions speak louder than words sometimes. Actions and words should be the results of real thinking. You cannot separate a man from his thoughts, because there is not anything so close to the heart of man as his own thoughts. We act according to the way that we think . . . how

careful we should be in our thinking!

The most of our thinking results in either good actions, or evil actions. The crimes that are committed today are the results of very keen thinking which mature in effective planning and outward actions. A man becomes a murderer, a thief, or any other evil character because that is what he has been thinking. As a man thinketh in his heart, so is he. God did not make the heart and mind of man to be used as a destructive agency. Too, you have heard it said, "We cannot prevent the birds from flying over our heads. BUT we can keep them from building nests in our hair." We aren't able to keep all evil thoughts out of our minds, BUT we can, by the grace of God, keep ourselves from doing those evil thoughts. We see many men and women drinking beer, wine, and whiskey . . . that is the result of evil thinking. We see the results of evil thinking in our midst daily. It is causing deaths, homes to be broken, hearts to become troubled and broken, and children to be reared in the wrong environment. What kind of men and women will those children make? Evil thinking makes evil men, evil women, evil boys, and evil girls.

The Apostle Paul knew the mind of men and pleaded earnestly with will we do more good things. If a man who is not a Christian will take the Bible and read, and pray, and THINK ON THESE THINGS, the Holy Spirit will lead that man into convictions of sins, and then into eternal salvation with Christ Jesus. We become like those things that we think about most . . . THAT is one reason why we should think about God in the Bible, so that we could become more like God in our daily living. "More like the Master I would ever be." Fathers and Mothers, husbands and wives, the hope of the world is Christ Jesus in God. The church is preaching the gospel of salvation. You need to think and act these things. Your boys and girls need to be taught the things of every heart, "to have the mind of

### CULLOWHEE BAPTIST BIBLE SCHOOL WILL START MONDAY A M

Christ in you." Too, he said, "think on these things." It is wonderful what God has made plain to our hearts. Listen, beloved reader, "But I am poor and needy; yet the Lord thinketh upon me: Thou art my help and my deliverer." Aren't you glad that God thinks about you? As we think good things, so God, and the church is trying to do that for all. Please see that you have closer contact with your church and God, and that your precious boys and girls are brought to church that they may be taught the things that will cause them to think on God. Let us think on the good things that we may put away the evil things with God in our hearts. As a man thinketh in his heart, so is he.
