Custodians of Tomorrow's World

Whether it will be one world or many small ones... a world of plenty of privation... and whether it will be led by wise men, humane and principled, depends upon the guidance... the education... the ideals instilled in our youth today. On their young shoulders will fall the mantle of leadership. This week we pay tribute to the Boy Scouts of America—citizens at work—and pledge our continued support to an organization which has produced and will continue to give us men who are leaders... IN THE HOME... THE COMMUNITY... THE NATION... THE WORLD.
