### Cats Look Good In Intra-Squad Game

Jim Gudger's Catamount baseballers rounded out a hard week of practice last Saturday afternoon with an intra-squad game in which several players showed up well.

The squad was split into two teams, the Fireballs and the Ballerinas and the Fireballs won 11-4.

Lawson Brown showed good form for the Ballerinas as he gave up only 2 hits in his 3 innings labor and Ted Gayle, a freshman righthander hurling for the Fireballs, set his opponents down in order in his 3 inning stint, striking out five and allowing no one to reach first base.

Clyde Pressley with 3 for 4, Ovie Heavener with 2 for 3 and Tommy Ellis with 2 for 4 paced the Fireballs while Luther Norton batted a clean thousand with 3 hits in 3 trips to the plate for the Ballerinas.

### Elizabethtown, Emma Advance To Finals In Cullowhee Tourney

CULLOWHEE, March 19—Elizabethtown and Emma moved thru the semi-finals of the "Tournament of Champions" here tonight with victories over Cullowhee and Dallas and will meet in the finals tomorrow night.

Elizabethtown's height paid off as they turned the Cullowhee boys back by a 30-25 score, because they certainly did not outplay the home boys. At the end of the first quarter the Elizabethtown team was out front by a 7-2 count and at intermission they were leading 15-8. But in the third period Cullowhee found the range and moved up to within two points of their opponents, 18-16. In the last quarter, Elizabethtown moved out again and were not headed by Cullowhee.

### All-Tourney Quint Selected At Cullowhee

Following Elizabethtown's victory in the finals of the WCTC "Tournament of Champions" Saturday night, an all tourney team was selected.

Elizabethtown placed their two tallest men on the squad, Cole and Britt at center and guard. They were the sparkplugs of the coastal team, scoring 30 points each in the tourney.

Emma, who lost to Elizabethtown in the finals, placed one man on the team, Dewain Rhase at forward. Rhase was also named the most valuable player of the event. Cullowhee's Darrell Tilley filled in the other slot at guard and Edison of Dallas was named the other forward.

Edison scored 44 points to lead in the tournament.

the Dallas boys, 37-34. For the first three quarters the game moved along as an ordinary game, but in the fourth period the fireworks began. Emma led throughout until there was one and one-half minutes remaining and Edison hit a basketball that gave Dallas a 31-30 lead. With 50 seconds left, Rhase of Emma stole the ball in mid-court, fired to teammate Henderson under the basket for a layup and a 32-31 edge. 15 seconds later, Smith bagged a goal for Dallas and put his mates ahead by one point. Then Edison of Dallas fouled Ard of Emma with 20 seconds left and the little Emma boy made the free throw and tied the game, at 33-all.

In the three minute overtime, two minutes and 10 seconds passed without a score. Then Edison broke the ice with a free throw that proved to be Dallas' last point of the game. Kuykendall missed a free throw for Emma, took the rebound, and fired in a field goal that put Emma out front to stay. Gaddy hit one more bucket for Emma just as the final whistle sounded and the scoreboard read a 37-34 victory for Emma.

### YOUNG HOLDS FIRST INTRA-SQUAD TILT AT CULLOWHEE SAT.

Coach Tom Young put his entire spring football squad through an hour and a half, full length scrimmage at Cullowhee Saturday afternoon. Splitting the squad into two teams, but keeping the majority of last years team intact as the Reds, Coach Young saw them roll to a 24-0 victory over the Whites.

The Big Reds, composed of Mace Brown and Speck Everhart at ends, Dan Robinson and Buffalo Humphries at tackles, Art Byrd and Clark Pennell at guards, Hugh Constance at center and Jack Arrington, Joe Hunt, Wade Bryant and Al Caperilla in the backfield, showed signs of being the combination that Young has been looking for since he came to Cullowhee.

The White team, although unable to score, drove deep into Red territory several times, with Ralph McConnell and Hugh (Pee Wee) Hamilton carrying the pigskin with lots of zip. The line play of Harry Jaynes and Bill Powell was outstanding for the Whites.

The passing game showed a lot of improvement with Hamilton and Caperilla hitting receivers with regularity.

The running attack was not up to par with the two big lines battling it out on about even terms. Wade Bryant, sophomore wing-back, showed definite promise of being a back to figure heavily in the Cat attack next fall.

### BRIEFS — IN DETAIL

(By Bobby Terrell)

#### Cullowhee Tourney Was Great Success

The WCTC "Tournament of Champions" which was held in the college gym at Cullowhee last weekend, was a great success. Large crowds filled the gym each night and from all outward appearances, were well pleased with the basketball they saw. As a whole, all the games were up to par. The teams were well selected and played up to standard as expected.

Congrats go to Marion MacDonald for securing such fine officials to work the tourney. Lawson Brown, Tommy Ellis, Herman Griffin and Bob Claxton turned in the nearest job of officiating that we have ever seen in a tournament. Not one losing team could complain that the officials were responsible for their defeat.

Several players of the Tri-State league last year are included in the official major league rosters this season. Among them is Billy DeMars, who last year roved the infield for Asheville and clipped a neat .328 at bat. He is up with Connie Mack's Philadelphia Athletics.

According to the way things are shaping up at Cullowhee, Tom Young will field a football team next year that one might call a powerhouse. Several new men are looking exceptionally well in spring drills and its our guess that they will fit into the Catamount grid machine next year and spell trouble for a certain Ralph James and several other North State coaches.

Don't forget the District Table Tennis Tournament which will be held at Cullowhee April 9th and 10th. Get your entry notice and fee of one dollar in to Miss Helen M. Hartshorn, Manager of the District Table Tennis Tournament, WCTC, Cullowhee. This may be your chance to compete in the Nationals in Chicago April 24. Somebody's going to win it, and that's for sure.

North Carolina's honey bees did a good job in 1947 by producing more honey than in any other recent year. An estimated crop of 6,228,000 pounds of honey was taken from hives during the year.

### Elizabethtown Cops WCTC "Tournament of Champions". Cullowhee Tops Dallas In Consolation

CULLOWHEE, March 20—Coach Roy Phillips' towering Elizabethtown boys pulled through with a 38-23 victory over Emma to capture first place in the annual "Tournament of Champions" here tonight. The Cullowhee boys placed third in the tourney with a 39-23 consolation victory over Dallas.

The Elizabethtown height paid off again as they used it to advantage over the smaller Emma boys. Despite the fact that they were the underdogs the Emma fellows put up one of the greatest fights, witnesses in the tourney as they were trailing only three points at halftime, 19-16. But they could not handle the tall boys from the coast and were trailing, 38-23, at the final whistle.

The Cullowhee boys showed bursts of power and speed throughout the game as they rolled over Dallas, 39-23, in the consolation game. Holland and Edison, Dallas' two high scoring forwards, were held to eight points between them as the Olson's boys tightened the defense on the Gaston County champs. The first half was tit-for-tat all the way. Cullowhee jumped into the lead when Smith from Dallas fouled Darrell Tilley in the last second of the first half and Tilley made good his free toss for a 14 to 13 lead. From there on out Cullowhee poured on the steam and moved out front.

### FIRST ROUND OF CULLOWHEE TOURNEY TELLS LEADERS

CULLOWHEE, March 18—The first round of the annual "Tournament of Champions" moved through the first round here tonight with Cullowhee, Emma, Elizabethtown, and Dallas winning to advance to the semi-finals tomorrow night.

In the first game of the evening the Cullowhee boys completely outclassed Biltmore high 53-18. The Biltmore team just didn't have it. They couldn't bother Cullowhee's fast break and couldn't break their zone defense. The Cullowhee scoring was evenly distributed with Tilley and Cole tops with nine points each.

In the second game, the favored Elizabethtown boys from the coast whipped the Bryson City aggregation, 49-29. Elizabethtown, sporting the tallest team in the tourney, started off slowly, but gradually added to the score until the last quarter and by then it was too late. Britt led the winners with 17 points.

The Sylva Hurricanes were bumped off by a fighting little Emma team from Bumcombe county, 30-22. The Emma boys outfought Sylva throughout the first three quarters, and Sylva like Bryson, came back too late. Emma couldn't miss and Sylva couldn't hit in the first three quarters. Rhase led the winners with 17 points and Cunningham was high for the losers with 10.

In what was the best game of the evening, the Dallas boys, Gaston county champs, edged the Hiawasse Dam boys, 37-36, on Holland's field goal with 40 seconds remaining in the game. # Kaiser-Frazer Introduces Four New 1948 Models

- The 1948 KAISER • The 1948 KAISER CUSTOM
- The 1948 FRAZER • The 1948 FRAZER MANHATTAN

# AT NO INCREASE IN PRICE!

## While Other New Car Prices Are Advancing

HERE'S WHY Kaiser-Frazer can make this announcement while other new car prices spiral upward. Kaiser-Frazer controls its own supply of many basic raw materials... has its own engine plant, foundry and steel mill. Materials from these sources funnel into new and modern Willow Run—the largest automobile manufacturing plant in the world under one roof.

Unfinished steel goes in one end of this great plant and comes out a quality automobile, ready to be driven away. All this is accomplished in a matter of hours, and with the economy of Kaiser-Frazer straight-line production. This is an achievement of men who are injecting new methods and ideas into an old industry.

In the new 1948 Kaiser, Frazer, Kaiser Custom, and Frazer Manhattan you get all the features

that others have attempted to copy since Kaiser-Frazer design was introduced in 1947.

So far no one has been able to more than approximate the graceful exterior body lines. No one has come near matching the roadability... the ride resulting from seats cradled between the front and rear wheels, such wide seats with both elbow and shoulder room. And none have the style features, the wide choice of colors and fabrics.

You get all this plus the many refinements made possible by years-ahead engineering and design. And, of course, all 1948 Kaiser or Frazer cars have the new Goodyear 24-pound pressure Super-Cushion tires that make bumps something you see but never feel.

Enjoy a ride today in America's newest new cars—the 1948 cars that have not gone up in price!

Wherever you drive, wherever you go, round the corner, down the street, there is a Kaiser-Frazer dealer ready to serve you with genuine factory parts and approved service.

We Invite You to SEE, DRIVE and COMPARE Them, Today!
