Make these 4 comparisons before you buy *any* car

COMPARE THE VALUE

Yes, compare the features—compare the prices—compare what you get for what you pay—and you, too, will come to the conclusion that Chevrolet continues to be first in value, just as it continues to be first in Big-Car Quality at Lowest Cost, and just as it continues first in demand, year after year.

COMPARE THE POPULARITY

You can identify the biggest value in any list of products by picking out the one product which enjoys greatest popularity, year after year; and, of course, in the field of motor cars, that one product is Chevrolet—outstanding leader in popularity for the total 17-year period, 1931 to date!

COMPARE THE FEATURES

Only Chevrolet combines the Unitized Knee-Action Ride for gliding smoothness; the world's champion Valve-in-Head engine for performance and economy; Body by Fisher for tasteful beauty; and Fisher Unisteel Construction plus Positive-Action Hydraulic Brakes for all-round safety protection!

COMPARE THE PRICES

You'll agree with millions of other car buyers that prices—like quality—are a major consideration in these times; and just as Chevrolet's Big-Car quality is unique in its price range, so Chevrolet prices are the lowest in its field. Chevrolet costs less to buy, to run and to maintain!

Only Chevrolet gives **BIG-CAR QUALITY AT LOWEST PRICES**... that's why
