## CATS COME FROM BEHIND TO LICK CARSON-NEWMAN

### McGinn Sets Pace With 18 Markers

Jefferson City, Tenn.—Bob McGinn's 18 points paved the way for a 45-41 comeback victory for the Western Carolina Catamounts over the Carson-Newman Eagles here Monday night. It was the second time this season that the Eagles have fallen before the Cats.

Trailing 15-21 at intermission the Cats came out strong for the last half and caught up with 10 minutes to spare. Then they strung along holding the lead the rest of the way.

Clyde Pressley was second for the Cats with 11 points. Joe Bean and George Wade led the Carson-Newman five with 12 each.

## Bob McGinn Sets Pace For North State Scorers

### 301 Points Is Tops In Circuit

Bob McGinn, Western Carolina's pointmaking guard, is setting a hot pace in the race for individual scoring honors in the North State Conference. A big splurge sent him zooming 37 points ahead of his nearest contender through games of Saturday night.

McGinn jumped out front in the race early in the season, and although he dropped to within five points of the second place man two weeks ago, he has not relinquished the lead.

During last week McGinn counted 49 points running his season's total to 301, 37 points better than Walsler of Catawba.

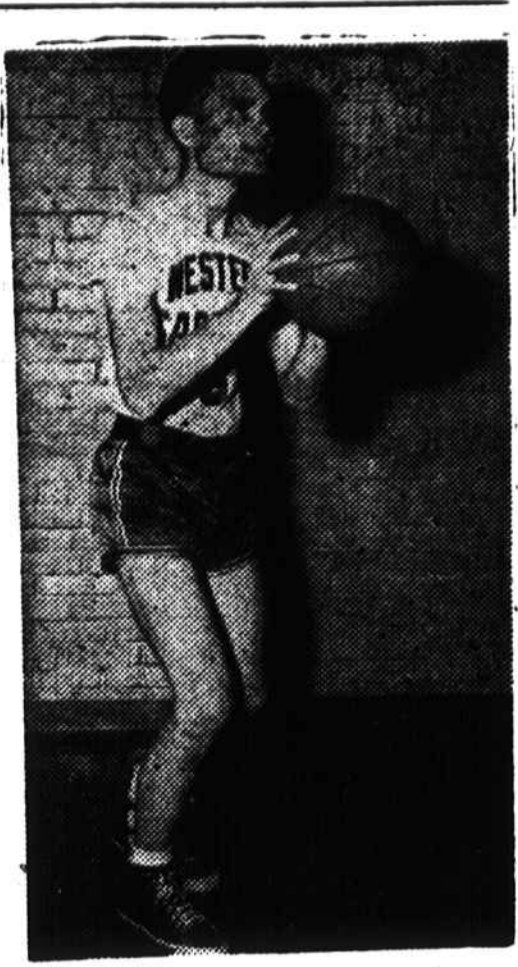

Last year McGinn gave fair the final week of play. He led the conference through the last two weeks, taking over top spot from teammate Bob Tate. But Big Ted Moran of High Point played three more tournament games than did McGinn and won the scoring honors during those three final games.

This year it seems that the "Ace" is taking no chances. He wants to sew up the thing before tournament time, so just in case the Cats get knocked out of play early, he will have goal accomplished.

Yet he is not showing individuality in making his points. He never hogs the ball on the fast break. If a teammate has an equal chance of making the goal McGinn can always be counted on to pass off. But, as the fans already know, the majority of McGinn's points are made out front.

The top ten in the conference include:

| Player           | School | Points |
|------------------|--------|--------|
| McGinn, WCTC     |        | 301    |
| Walsler, Catawba |        | 264    |
