

**YOUTHS TO SPEND  
SUMMER IN EUROPE**

Two young North Carolina 4-H Club members are looking forward to spending the summer on farms in European countries.

They are Carolyn Durham Smith of Andrews, Cherokee County, and Coyte Joseph Sigmon of Catawba, Catawba county. Miss Smith will go to Norway and Sigmon to France.

The two are among 27 rural young men and women from 20 states who will sail for Europe in early June as International Farm Youth Exchange students. They are selected by officials of the Agricultural Extension Service at

State College.

According to L. R. Harrill, State 4-H Club leader, the International Farm Youth Exchange project has been in operation for one year. Under the arrangement, American rural young people on invitation live and work with farm families in 10 European countries, and selected European rural youth are invited to share similar experience on American farms.

Purposes of the exchange are to develop an informed junior farm leadership and give the young people an opportunity to learn firsthand something of the problems, attitudes, and contributions of rural people in other countries.

Mr. and Mrs. Ralph Cooper have announced the birth of a daughter. Mrs. Frank Hayes, Mrs. Masie Young, and Agnes Sphere were Saturday visitors of Mrs. Ralph Cooper.

planting and sowing their flower beds there was no sign. The only lady there was Mrs. Mamie Hipps. I guess the other ladies were busy sowing flower beds at home.

We had a good Sunday school Easter Sunday. We also had a large crowd out for church services at Olivet. We hope each and every one will continue to come.

*-is the time to be careful too!*

1. Hold your match 'til it's cold - then pinch it to make sure.
2. Crush out your cigarette, cigar, pipe ashes. Use an ash tray!
3. Drown your campfire, then stir and drown again.
4. Ask about the law before burning grass, brush, fence rows, or trash.
