WHAT HAPPENS TO BUDGET DOLLAR - Where it comes from

Where it will go

THIS CHART shows the income and outgo of America's budget dollar. In his annual budget message to Congress, President Truman asked for \$42,500,000,000 for the coming 1951 fiscal year. The Chief Executive, in his message, forecast a five-billion dollar deficit. (International)

Eats and Sleeps

Mr. James E. Peterson, respected farmer of Reids, N. C., writes: "For twenty-five years I suffered from bad spells of gassy stomach misery and loss of appetite. Couldn't sleep right. Naturally, I lost weight, strength and energy. Nothing I tried helped me much until I started on Scalf's Indian River Medicine. I have taken four bottles of this fine medicine and now I eat heartily, sleep better, have gained weight and strength, and feel lots better in many other ways. May God richly bless the makers of Scalf's Indian River Medicine. It is my prayer."

The first bottle of Scalf's is guaranteed to help you or your money back. Try it today.
