SOUTHERN FARM MARKET SUMMARY

Atlanta, Ga., April 14—Cattle and calf receipts at southern markets this week reached the lowest mark of the year to date, and a good demand strengthened prices at most markets as much as 50 cents to \$1 a hundred pounds, the Production and Marketing Administration reported today.

Some increase in numbers was noted at markets in the Florida area, but from 40 to 5 percent of offerings in this section were taken by local and out-of-state stocker cattle buyers.

Increases Elsewhere Louisville reported increased marketings of cattle and calves, which was in line with increases for the week at other markets in and around the corn belt. Nevertheless, cattle price trends were steady to strong at Louisville, and gains of 50 cents a hundred were registered for cows there.

The Hog Markets Combined hog receipts at the same markets were off rather sharply, except at Louisville, where they increased slightly. Arrivals totaled 32,037 hogs this week, and 37,611 last week.

Prices were steady to as much as 50 cents higher in the week. At Friday's close, the best weights of butcher hogs at leading southern markets were: Georgia-Florida-Alabama peanut-belt plants, \$14.75

The Old Savannah Baptist church will have an Old Folks Day

to \$15.25, long-hauled lots up to \$15.50, and one plant quoted \$16; Montgomery, \$15.25 to \$15.75; Nashville, top \$15.50; Memphis, \$14.50 to \$15.74, and a few choice lots \$16, and Louisville, \$15.50 to \$16. At Richmond, the top hog price was \$14.75, and at cash hog buying stations of the Carolinas, \$14.75 to \$15.

Broilers Weaken Broiler markets were weak in all major southeastern producing areas. Prices in North Georgia declined from 2 to 3 cents a pound, and in Central North Carolina 2 cents. Prices were unchanged to 2 1-2 cents lower in the Del-Mar-Va area, while in the Shenandoah Valley section prices were unchanged to a cent lower.

Friday's closing prices were: North Georgia, 26 to 30 cents, but mostly 27 1-2 to 28 cents a pound; Central North Carolina, mostly 28 cents, but with a few sales at 27 cents; Del-Mar-Va area, 26 to 28 1-2 cents, but mostly 28 cents a pound, and Shenandoah Valley section, 26 to 27 cents a pound.

Cold Hits Peaches Below-freezing temperature hit peaches again this week in the Carolinas and in most of the Georgia production area. Low south Florida temperature stopped the movement of new-crop watermelons.

Potato markets held firm at south Florida shipping points, and cabbage moved in good volume from the Southeast. Tomatoes held at high levels at shipping points, and snap beans brought good prices in the Lake Okeechobee area of Florida.

sponsored by the Woman's Missionary Union on the fifth Sunday, April 30. All old people, especially those confined to their wheel chairs or cots, are urged to come as the service will be planned for them. Also former pastors and Sunday School superintendents are urged to be present. The morning worship will consist of songs by the church choir and a message by Rev. Thad Deitz. In the afternoon Rev. O. J. Beck

of Balsam will deliver the sermon. Talks and other singing will be featured during the day's observance.

If you can not come for the entire day, come for the morning service and the dinner.

Everyone is cordially invited.

FURNISHING LAFFS

by Jackson Furniture Co.

"We decided not to go anywhere this year, since we bought a new fan from JACKSON FURNITURE CO."

It even PROTECTS YOUR POCKETBOOK!

RAP your fist against these stout bars—feel the gauge of the bumper stock they're made of—and you know you've got stout protection here.

But then figure:

Here are nine bumper guards (not counting the two that hold the parking lights) so that's one extra item you needn't buy.

And each is individually replaceable—if damage should occur you have only a simple part or two to replace, instead of a complete, cast-metal grille.

Thus this stunning new design—freshest front-end style note on the highways—protects your pocketbook as well as your car.

Avoids costly repair bills as it avoids "locking horns" with the car ahead. Cuts upkeep as it cuts inches from the car's total length, thus making parking and garaging easier.

What you really have here is a four-way forefront. A design that sets the coming style note—avoids many a tangle with the car ahead—makes handling easier—and costs less to repair.

And note that parking-light lenses, made of plastic and set deep in recessed sockets, are well out of harm's way—even when pushing a stalled car.

You'll find this bold front end only on Buick—as you'll find Fireball power, Dynaflo Drive,* Buick's wonderful ride, and many another headline value only on these beauties.

Why not see your dealer now for the whole story—including the happy story on prices to fit practically any budget?

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

INVITATION— AND A CHALLENGE

"You never can tell till you try"—so we want you to try the 1950 Buick. And we especially want you to compare it with others. Drive any other car—then drive Buick and see what your money should buy in ride, room, handling and power.

Only Buick has Dynaflo—and with it goes:

- HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-208 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.
