#### Sylva Students Hear 'The Melody Four"

The Sylva School students were entertained Tuesday, Sept. 12, with a program from the Carolina Assemblies, "The Melody Four", of suitable conditions for spawnsponsored through the school activity program. The music was enjoyed by the first grade thru the high school. The entire program was different from any the students had ever seen. Bells were placed on the table and the players would select them according to tones and then play beautiful melodies. They also rang lovely chimes. Solos and quartets also were sung by the group of accomplished entertainers.

### CITIZENS URGED TO **CONSTRIBUTE TO** GIRL SCOUT FUND

All citizens who are interested in promoting the expansion of girl scouting in Jackson county are urged to contribute financially to the program within the next two weeks. This extension of time has been granted our volunteer workers who are canvassing the county during the drive. Jackson County's quota is \$500 which is used, primarily, to pay the salary of our Nantahala Area field worker, whose job it is to train local adult troop leaders. Without good leadership we cannot hope to have interested girl scouts.

Part of the funds raised will be CLAUDE MARVIN ALLISON, used for maintenance of the girl
