

Rev. Lide To Assist In Revival At First Baptist Church Here

Rev. Thomas Dill Lide, pastor Sans Souci Baptist Church, Greenville, S. C., is a North Carolinian by birth, having been born at Rockingham. He decided to preach while in the sixth grade in the Rockingham public schools. He held Student pastorates while in college at Furman University, Greenville, S. C., and the Southwestern Baptist Theological Seminary at Fort Worth, Texas.

His accomplishments have been largely along the lines of Church Building and Evangelism. This is shown in the record of his pastorates. While he was a student at the Seminary he was pastor of the Baptist Church, Valley View, Texas, which increased half time to full time during his ministry, and an entirely new church plant was erected when the old building was destroyed by fire. During

this pastorate he also edited "THE VALLEY VIEW BUILDER."

Brother Lide returned to South Carolina as pastor of the First Baptist Church, Abbeville, where he labored for eight years, paying off a heavy church debt in depression days and showing a 62 per cent net increase in church membership.

He then served the First Baptist Church, Aiken, S. C., for seven years. During this time a new brick parsonage and a 55-room educational building were erected, and a new pipe organ installed. The church records showed a 54 per cent net increase in membership, and Sunday School and W. M. S. membership was doubled.

Bro. Lide has served the Sans Souci Baptist Church, Greenville, for seven years. During this time the educational building was completed, a new parsonage purchased, a new auditorium erected and the Educational Building completely remodeled, and a new pipe organ installed. Church finances have tripled, all organizations have greatly increased, and the church membership has reached approximately eleven hundred, showing 31 per cent net increase, beside organizing a new church and giving them 60 members.

During the years, Bro. Lide has been much in demand for revival meetings, a work which he loves greatly. He loves souls and rejoices in those who come to Christ, but he gives special attention to a revival of the church itself. His success is shown by the large number of churches and pastors who invite him for "repeat" meetings. He has often held several revivals in the same churches and with the same pastors.

Mr. Lide's morning messages will be based upon the Lord's Prayer and will be a series of Bible studies based upon the great truths and principles contained in the prayer. The evening sermons will be evangelistic, and will be preceded by a brief object lesson for the children each night.

Mr. Lide spent several weeks during the summer touring Europe, having visited fourteen nations. He will speak with a first hand knowledge of those countries, and especially of our Mission fields there.

Sylva Lions Conducting White Cane Sale For Aid To Blind

Members of the Sylva Lions Club will actively participate this week in the annual State-Wide White Cane Sale and Membership Enrollment campaign of the North Carolina State Association for the Blind in its efforts to raise \$25,000.00 to aid the blind and to prevent unnecessary blindness. W. T. Brown, president of the Club, announced on Monday.

One-third of the proceeds derived from the sale of White Cane buttons, he said, will be retained by the club for local work for the blind, the remainder being sent to the State Association to aid the blind in those areas of the state where there is no organized work on behalf of the blind. During the period of September 25 thru September 30, the Sylva Lions club will join hands with more than 250 other Lions Clubs in North Carolina to assist the Association in its fourth Annual Drive for funds.

More than 12,000 Lions will raise funds to pay for eye examinations, operations, hospitalization, and glasses for needy persons. Work among school children to prevent

blindness will be expanded, and to those who are already blind, the Association plans a program involving vocational guidance, training, placement in employment, books, training supplies, and equipment will be purchased.

Much support is being given the Association's Enrollment Campaign to secure memberships into the Association. The local club is seeking memberships into the Association for an annual fee of \$1.00 or more per membership. Also an effort is being made to renew all old memberships. Within the club itself, memberships will be sought for an annual fee of \$1.00 or more per member.

White cane buttons are on sale this week for contributions of 10 cents and up.

Last year the North Carolina State Association for the Blind gave aid to 2003 blind persons in all sections of the State. The Sylva Lions Club, said Felix Picklesimer, chairman of the local drive, expects to top last year's campaign results.

In addition, the following work has been completed on the primary highway system in Jackson: resurfacing US 64 from a point one mile west of Cashiers west to Macon County line, 4 miles; widening resurfacing US 19-A and 23 from Haywood line southwest to Sylva, 10.7 miles; and resurfacing US 64 from Sapphire Creek east to Transylvania County line, 3 miles.

Jackson's share of the first \$125,000,000 in bond funds is \$862,875. With the exception of \$517,725, this amount has been allocated to specific work in the county. The Secondary Road Bond Act as passed by the General Assembly divided the bond money equitably among the 100 counties.

The cost of road construction under the secondary program is less than expected by the State Highway Commission and consequently more mileage roads may be paved under the program than was expected in many areas. As of July 1, 1950 about one-fifth of the proposed Scott paving program had been finished throughout the state.

Dr. Henry W. Jordan, chairman of the State Highway Commission, recently announced that 1950 would be North Carolina's greatest year of roadbuilding if good weather continues and the war crisis does not intervene. Some 2,375.8 miles of secondary roads have been paved so far under the \$200,000,000 program. At the same time work is progressing on the primary highway system utilizing funds set up in the regular highway fund budget.

Prices of United States wool are expected to stay strong for some time. Production this year will be about the same as the record low of 1949. Mill consumption is at a higher rate than last year. World consumption continues to exceed production.

Mr. and Mrs. Roscoe Poteet had as their week-end guests their daughter, Miss Thelma Poteet who is a student nurse of Erlanger Hospital, Chattanooga, Tenn., Mr. Harold Russell, also of Chattanooga, and Mr. and Mrs. Jimmy Poteet and son, Leonard, of Brevard.
