**Accidents . . .**

(Continued from page 1)  
August—an average number for any month—revealed that persons under 25 were drivers of vehicles involved in 26, or 41 per cent, of fatal accidents. Eight of these involving young drivers occurred during a four-hour period between 11 p.m. and 3 a.m. Thus, during a period covering one-sixth of a day, when traffic normally is light, one-third of the fatal accidents, involving persons under 25, occurred.

Some of the worst traffic accidents of the year, resulting in multiple fatalities, also have involved drivers of this young group and have occurred late in the evening or in the early morning hours. Although the usual causes for accident — unsafe speeds, careless and reckless driving, driving intoxicated and mechanical failure—are listed as contributing to many mishaps involving young drivers, the Department believes that the underlying reason for these accidents is improper driver attitude.

**Mrs. Fisher Has Church Circle Group**  
The Mattie Hensley Circle met Tuesday with Mrs. Joe Clyde Fisher. Mrs. Dennis Fisher presided, and Mrs. B. S. Hensley opened the meeting with prayer. During the business session the nominating committee made their report on leaders for the coming year. The new leaders elected are as follows: Mrs. Harry Mason, president; Mrs. Herschel Ashe, first vice-president; Mrs. Dennis Fisher, second vice-president; Mrs. Vernon Cope, secretary-treasurer. Their term will start with the first meeting in January.

The week of December 8 was designated as the Week of Prayer. The next meeting will be a Christmas party at which time secret pals of the past year will be revealed and other pal names drawn for the coming year. This

**4th Grade Student Writes Thanksgiving Poem**

The fourth grade students of Mrs. Gordon Reed in the Sylva School have been quite interested and enthused during the past few weeks with their study on Thanksgiving and its related studies. In connection with this study a sand table scene with Indians and Pilgrims was made. Drawings, stories, and at the suggestion of some of the students, poems were written.

The following poem, written by Mosella Ivester, and without any help whatsoever from the teacher, was judged "best" by the students of her room:
