In Memory of Mrs. Cora Buckner On Monday night, January 8, 1912, the death angel visited the home of Mr. Will Buckner of Sandy Mush and called away his wife. Her death was particularly sad. Mrs. Buckner had been in poor health for several years. Though her death was a surprise to all the community, as the news of her being serious had hardly gone out until that of her death came. Her remains were interred at Piney Grove cemetery on Wednesday following, Rev. Martin conducting the funeral rites. Mrs. Buckner was a faithful member of Piney Grove Baptist church and had been since early girlhood. Among her last words she spoke of her home in the great beyond; that owing to her poor health she did not crave to live and was ready and willing for the end to come. She always bore her sufferings so patiently, always speaking of the right, ever wishing in her conversation that her children might attend church and Sunday School regularly and become true Christians. A large crowd attended the funeral as she had a host of friends and relatives who came to pay the last tribute of respect to a loving mother, a devoted wife, a good friend. She was loved by all who knew her. While Mrs. Buckner will be missed greatly, we feel our loss is her eternal gain. Beneath the whispering pines that environ old Piney Grove church now slumber the remains of our sister, awaiting the trumpet blast summons of the heavenly Father to the final bar of justice to hear the acquittal of all her sins. So with us all: we are but awaiting for the summons to join that innumerable caravan that moves on that mysterious bourne whence no traveler returns. Mrs. Buckner leaves a good and kind husband, seven children and a vast number of friends and relatives to mourn her sad loss. We extend to them our deepest sympathy. "This hard to break the tender, When love has bound the heart; 'Tis hard, so hard to speak the words: Must we forever part? Dearest loved one, we have laid thee, In the peaceful grave's embrace; But thy memory will be cherished; 'Till we see thy heavenly face." E. CLYDE CASSADA.

CONSTIPATION JERICHO LEAVES Nature's wonderful gift—a perfect laxative. The most remarkable of all natural phenomena is this Shrub Leaf from the Holy Land. Scientific of today, with the accumulated knowledge of 4,000 years to guide them, have not been able to manufacture a harmless laxative which relieves, stimulates and cures so Jericho Leaves do. More effective than drugs or manufactured medicines. Jericho Leaves are palatable, pure and harmless as the truest. They cleanse the system thoroughly and in the gentlest way possible. Instead of irritating the delicate intestinal membranes as drugs do, they do their work more delicately and in making all the life-giving organs. This wonderful nature remedy was introduced into the Holy Land by Arabian physicians more than a thousand years ago and in universal use in that historic country today. If the use of these leaves as a laxative and regulator is due the extreme age of those ancient people. They grow only in the Holy Land adjacent to the River Jordan, so slender, get carefully gathered, sun dried and reach you in the natural, or partly vegetable state. Taste good. Ask good. Plain cloth each active of one receipt of 50 cents coin. Stamps or money-order. Money back if not satisfactory. Obtainable in the U. S. by mail only. Mention this paper and order now.
