Many Driven From Home.

Every year, in many parts of the country, thousands are driven from their homes by coughs and lung diseases. Friends and business are left behind for other climates, but this is costly and not always sure. A better way—the way of multitudes—is to use Dr. King's New Discovery and cure yourself at home. Stay right there, with your friends, and take this safe medicine. Throat and lung troubles find quick relief and health returns. Its help in coughs, colds, grip, croup, whooping-cough and sore lungs make it a positive blessing. 50c and \$1.00. Trial bottle free. Guaranteed by Redmon Roberts & Co.

Paint Fork Notes.

Sunday Sept. 8, the people of Paint Fork enjoyed an unusual treat.

The male quartet came out from Grace Saturday evening. Sunday morning they went to East Fork to a singing contest and rendered some delightful selections and returning to Paint Fork in time for the morning service every one enjoyed the music so much that it was with great pleasure they came together again in the afternoon to hear them.

They were very delightfully entertained for over an hour and every one now joins their voice in saying "come again you will be welcome at anytime."

Miss Augusta Anderson accompanied by her brother-in-law Mr. Gaskins spent the week end with her parents Mr. and Mrs. Nelson Anderson of Paint Fork. She returned Sunday to her school at Grace and Mr. Gaskins accompanied her on his way to Newbern.

Dr. and Mrs. Anderson came Sunday from Asheville for a brief visit to their parents Mr. and Mrs. Nelson Anderson returning Sunday afternoon.

Farmer Drops Dead on North Main Street.

Ellis Ballard, a young farmer of Buckner, Madison county, died suddenly last night on North Main street, in front of the stables of the Millard Livery company, as he was walking in the direction of Pack square with a number of friends. He had arrived here yesterday afternoon with a load of fruit which he intended selling in Asheville and had driven from his home, a distance of about twenty-five miles, yesterday.

Mr. Ballard was talking to Columbus Robinson just before he was summoned and stopped in front of the stable, saying: "Wait a minute." After uttering those words he fell into Mr. Robinson's arms and expired within a few minutes. Coroner E. R. Morris was summoned, but as the case was clearly one of sudden death, no inquest was held. The body was removed to the undertaking parlors of Hare and Company, on South Main street, where it was prepared for burial. It will be removed to the young man's home this morning.

Mr. Ballard was well known in this city and within the past few years had made regular visits to Asheville, where he disposed of his produce. He was thirty-two years of age and had many friends who will regret to learn of his sudden death. He was the son of the late James Ballard and is survived by a mother, three sisters and two brothers. One of his sisters is Mrs. J. J. Riggsby, of this city.

The death is attributed to heart failure, although the deceased is said to have been in bad health for the past several years. It is thought that he was fatigued as the result of his long drive yesterday.

Mr. Ballard had not complained of his condition yesterday. In fact, a short time before his death he had talked with S. D. Robinson and had stated that he was feeling unusually well.—Asheville Citizen.

The Men Who Succeeded.

As heads of large enterprises are men of great energy. Success, to-day, demands health. To fail is to fail. It's utterly folly for a man to endure a weak, run-down, half alive condition when Electric Bitters will put him right on his feet in short order. "Four bottles did me more real good than any other medicine I ever took," writes Chas. B. Allen, Sylvania, Ga. "After years of suffering with rheumatism, liver trouble, stomach disorders, and deranged kidneys, I am again, thanks to Electric Bitters, sound and well." Try them. Only 50c cents at Redmon & Roberts Co.

AUGUEAN STABLES.

There is an old story of some stables in which the mythical king kept his herds and these stables needed cleaning out but never had anyone with the courage to do this until Hercules came along and cleaned them. Hercules came and turned some rivers into the stables and this cleared out the accumulated filth of years.

Sometimes we think that the cleansing of the Augean stables was small in comparison with some things we have to do today.

The removal of moral corruption, the accumulation of which makes it almost impossible, confronts the leader of today and while the cleaning is and uncleanly job still it has to be done some times. However the heart almost quails before the task and weakness seizes upon us, and fear of consequences almost makes the lover of peace stop before the Herculean task. However, as right minded persons, we should face the task and take up the defiance and like Hercules clean up.

There are Augean Stables very near to us. Will Hercules come to clean them up?

What We Never Forget.

According to science, are the things associated with our early home life, such as Buckler's Arnica Salve, that mother or grandmother used to cure our burns, boils, scalds, sores, skin eruptions, cuts, sprains or bruises. Forty years of cures prove its merit. Unvalued for piles, corns, and sores. Only 25 cents at Redmon & Roberts Co.

Committee of Road Commissioners.

The Board of Road Commissioners will be in regular session the 1st Monday in October, that being the 7th of the month. All Supervisors are requested to be present with reports. I hear a lot of complaint from some of the Townships in regard to the roads, and the Supervisors. Now I ask the citizens of the different Townships where the Supervisors are not doing their duty to have some nerve and report their failures to the Board and we will see if we can give you relief. I feel it isn't worth while to ask the lumber and bark men to come in and pay their tax. So we will resort to other means to get them in.
