

The American Ballot.

The American ballot represents freedom and liberty; it represents the power, once by lords and kings, arrogated to themselves but which, in the course of human progress, has been stripped from the royal families and vested in the people.

It is the bloodless, yet conquering weapon of progress with which the plain man shall beat down and drive from place and power the demagogue and grafter, the weapon with which he shall defend his wife and children and protect the products of his toil and labor.

He is an enemy of progress and a traitor to his own conscience as well as to his country. On the fifth day of November every man who votes should go to the poles and cast his ballot free and untrammelled, in the interest of free government and human progress.

Biddy the Hen

The lost egg—more plainly, the bad egg—costs the family circle of the United States over \$68,000,000 annually. This is by no means the fault of Biddy, the hen, who does her thrifty part to solve the "high cost of living" laying yearly over \$400,000,000 worth of eggs.

Biddy's product is kept by the farmer a week or two or more before it abides another several weeks before shipment to the city commission. From the retailer, in due or undue season, Biddy's eggs reach the consumer's pantry or ice-box, and thence appear by relays on his table.

No less an agent than the Government of the United States seeks to sustain Biddy's effort, to feed us, and to co-operate with the farmer in getting fresh eggs to market. The Agricultural College of the State of Minnesota, through Mr. N. E. Chapman, of its extension staff, is blazing a path which all the schools of all the States might follow.

Every country school might do.

If any of our readers want to know how we think a request addressed to the Department of Agriculture, Washington, D. C. would bring information. The suggestion has often been made that we substitute thrifty, productive, domestic Biddy for the eagle as our national emblem.

Some of the men behind the Taft Republican county ticket are circulating the report that John James, candidate for Sheriff and Henry Roberts, candidate for Treasurer left town last Saturday evening drunk. If the parties circulating these base reports will prove their charges true, both these gentlemen will withdraw from the race.

It seems to be a case where they are unable to prove their candidates innocent and to save them from a merciless scratching, they raise the cry that their opponents are guilty. "Misery loves Company."

John James has lived in the vicinity of Mars Hill for ten years. If he is a drunkard the people there know it, would as strict a prohibition community as Mars Hill employ a drunkard to teach their children?

Porto Rico's New Wonder.

From far away Porto Rico come reports of a wonderful new discovery that is believed will vastly benefit the people. Ramon T. Marchan, of Barceloneta, writes "Dr. King's New Discovery is doing splendid work here. It cured me about five times of terrible coughs and colds, also my brother of a severe cold in his chest and more than 20 others, who used it on my advice. We hope this great medicine will yet be sold in every drug store in Porto Rico."

FROM HAWAII.

Schofield Barracks, Hawaii, T. H. October 12th, 1912. Editor of The News-Record: Dear Sir: You will find enclosed postal money-order, for the amount of \$1.00 for payment of News-Record please keep the good paper coming. I am glad to know that our little home town can furnish to the people of Madison County such a good paper as The News-Record is. I would not be satisfied here without it. It is quite a lonesome place anyway, nothing to pass—away the time, except the game of Base Ball.

Mr. James Cannot Canvas County But Calls on People to Support Him.

To my fellow citizens of Madison County: You are doubtless aware that I am a candidate for Sheriff against Mr. W. M. Buckner. On account of being tied up in my school work at this place I have been unable to make a personal canvass. Therefore I take this means of asking you for your support. Having served the County for 4 years as Supt. of Education the people know something of me and my record. I endeavored then to serve the County faithfully regardless of Political affiliations. If you choose me Sheriff I pledge you my honor that I will give that office a clean and efficient administration.

Thanking the people in advance for anything you may do for me I remain, Yours to serve, JOHN M. JAMES—Mars Hill, N. C.

C. A. Henderson Says The Democratic Nominees Are Clean, Capable Men.

The County Democratic ticket is composed of the following men: for representative, N. B. McDevitt; sheriff John M. James; treasurer, Henry Roberts; register of deeds William Worley Jr; coroner, Dr. I. E. Burnett; surveyor, Kelley Hunter; county commissioners, Joe S. Brown, C. A. Clark and Vance Russell.

These are clean capable men and merit the support of Madison County's people regardless of politics and if they don't get it the same bad administration of county affairs will continue and the people will have no right to complain.

Hot Springs Items.

Editor of the News-Record:—Please give us a little space in your interesting paper for a few Hot Springs items.

The school at Dorland Institute has been opened for over a month. They have the largest and it promises to be the best in the annals of its history.

A very interesting and able sermon was delivered by Dr. Campbell, pastor of the Presbyterian church, Sunday. His text being the fifth commandment.

Rev. Mr. Hastings is now pastor of the Methodist church. We wish him much success.

Mr. Verne Lankford who has been quite ill with typhoid fever is very much better.

Mr. Hall Lampkins of Knoxville, Tenn., was in town Sunday visiting his sister, Mrs. A. C. Gentry.

We have had several cases of fever recently; Mr. Mark Felmet being ill at present.

Miss Elva Brooks, one of the teachers of the Hot Springs public school, was out of town Saturday and Sunday, visiting Miss Margaret Brown, who was home from her school at Antioch.

Our public school is progressing fine; the average being a little low because of the more advanced pupils are now attending, at Dorland.

Best wishes for News-Record. X. Y. Z.

Flagged Train With Shirt

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition but four bottles of Electric Bitters made me feel like a new man."

WALTER CLARK TO THE PEOPLE OF NORTH CAROLINA

My Friends and Fellow Citizens: Your choice of your United States Senator will deeply affect your welfare. It ought not to be procured by agencies employed to control your votes.

The increase in the production of wealth has been marvelous, indeed nearly double that of ten years ago. National legislation controlled by the Special Interests has transferred the wealth created by you to a few so that there are now over one thousand men in this country who possess from ten millions up to one thousand million each and 3 per cent of our population own more than the other 97 per cent.

Not only this but the same legislation has transferred the wealth created in the South, which has been retarded in its development by the discrimination, to the enrichment of other sections. The discrimination in freight rates against North Carolina amounts to \$12,000,000 annually. The tobacco tax takes from the farmers 8 cents on every pound they raise and deprives this State of \$7,000,000 a year, while twenty-five States pay no tobacco tax whatever.

The war contribution of \$5,000,000 yearly for Federal pensions, almost none of which comes back to us, ought to cease now that it is nearly half a century since the war. The contribution by each State for pensions should be returned to that State to be distributed by it among its own citizens and their widows.

Neither of my competitors during the twelve years each of them served in Congress has done anything for the relief of the people of this State from the above annual burdens of \$22,000,000. Each of you pays your part of this tribute. Do you wish it stopped?

On 13, May, 1910. Mr. Simmons voted against a bill to prohibit freight discrimination and to send the matter back to the Interstate Commerce Commission which had theretofore done nothing for our relief, and which has done nothing since, and about the same time the tax on tobacco was raised from 6 to 8 cents a pound—an annual addition of \$2,000,000 yearly upon our tobacco raisers.

The tobacco tax maintains the existence of the Tobacco Trust by preventing farmers and others from manufacturing tobacco just as the Protective Tariff creates the other Trusts.

In the Senate I shall stand firmly for the removal of the above and other burdens upon our people. The sharp contention between the friends of my two opponents render it inadvisable for the party to nominate either of them.

The great contest between the People and the Special Interests must be fought out in the U. S. Senate and there I can do fifty times as much for your good as in the position which I now hold by your good will. Your friend, WALTER CLARK.

A Few Words About Good Mixers Whether it's bread or PAINT, there's a lot in the MIXING—be sure of that. As for paint, do you remember the story of the nincompoop nobleman who asked the great painter—was it Michelangelo?—in a patronizing way, "Pray, what do you mix your colors with?" Whereupon the reply came back, "with BRAINS, your lordship!" Then, as now, BRAINS were a necessary ingredient of PAINT. Plenty of BRAINS get mixed with Lucas TINTED GLOSS PAINT. He makers have LEARNED HOW—by HARD STUDY and HARD WORK—to make FINE PAINT, and every ounce of their product is manufactured ABSOLUTELY AS WELL AS THEY KNOW HOW—in other words, with AN ABUNDANCE OF BRAINS. The result is a paint that "COVERS" best, LOOKS best, WEARS best, IS best—and COSTS LEAST PER YEAR. Come in, TODAY, and let's continue this chat, face to face. MORROW & McLENDON. RED CROSS SEALS. The Red Cross Society has a Christmas seal which is placed on sale at different places at one cent each. The amount collected is used for the extermination of tuberculosis. A committee has been appointed by the State Organization to take charge of this in Madison county. This consists of the Editor, J. H. White, Dr. Frank Roberts and C. F. Rannion. About Dec. 2nd, the seals will be here and we hope there may be many sold. Any one desiring these seals can write to the Editor or to any one of the committee enclosing amount for number desired. They are sold for one cent each and one designed to stick on Christmas packages or gifts. The money given goes entirely to the work. 75 goes to Local work if there is an organization, 25 to State and National Society for study and eradication of this disease. Please remember this and when you are doing your Christmas shopping buy some of these seals. The places of sale will be announced later. We would like to have orders from out in the country. W. E. FINLEY Chairman.

ENTERTAINMENT. All those who desire to help with entertainments for the winter should express themselves as in favor or not. Why could we not have local talent represented and about Thanksgiving time give a high class entertainment and charging popular prices get money for our court house piano. We are sure with the talent we have that this could be done. Why not try it.
