

## MRS. WILLIAMS' LONG SICKNESS

Yields To Lydia E. Pinkham's Vegetable Compound.

Elkhart, Ind.:—"I suffered for fourteen years from organic inflammation, female weakness, pain and irregularities. The pains in my sides were increased by walking or standing on my feet and I had such awful bearing down feelings, was depressed in spirits and became thin and pale with dull, heavy eyes. I had six doctors from whom I received only temporary relief. I decided to give Lydia E. Pinkham's Vegetable Compound a fair trial and also the Sanative Wash. I have now used the remedies for four months and cannot express my thanks for what they have done for me.

"If these lines will be of any benefit you have my permission to publish them."—Mrs. SADIE WILLIAMS, 456 James Street, Elkhart, Indiana.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

## IN THE HOLY CITY

People of Jerusalem Celebrate Easter With Magnificence That is Gorgeous.

JERUSALEM is the true Easter city. Not only is Easter celebrated there with gorgeous magnificence by the Christian churches—Latin, Greek, Armenian, Coptic—but the large and ever-growing Jewish population of Jerusalem keeps the passover with all the charm of its cosmopolitanism, and even the Mohammedans have their Easter pilgrimage to the grave of Moses.

The throng of Easter pilgrims from the whole Christian world is a very remarkable sight. To the Westerner it is a revelation of oriental Christianity in all its picturesque devotion. Greeks from all over the Levant, Armenians from Turkey, Persia and Caucasus; Nestorians from the Mesopotamia and Persia; Syrians from Aleppo, Damascus and Beirut; Abyssinians from northeast Africa; Copts from Egypt, and men from the ancient

The Grotto of the Nativity in the crypt of the church of the Nativity at Bethlehem. The star beneath the altar marks the supposed place of the Nativity.

All day Easter Sunday streams of pilgrims visit the tomb itself. Only three can enter it at a time, for it is six feet square, and half its space is taken up by the sarcophagus—a white marble shelf, cracked across, supported on a marble slab, about three feet high. Lamps of silver and gold hang above it and shed a dim light upon the figure of a Greek priest on silent guard. This is the Holy of Holies—the holiest spot in the world. Princes and paupers, kneeling in the place where they believe Jesus lay for three days, stretch quivering fingers to touch the marble shelf and sob as if their hearts would break. It is here that Easter makes the whole world kin.

churches of southern India—all these races mingle with Latins from western Europe, with Slavs from the East and North, with Germans, English, Americans, Scandinavians.

And this, mind you, against a peculiar background of Jewish life—at one time largely Sephardic—that is, of Jews driven centuries ago from Spain and Portugal, but in late years to a fast going extent from Ashkenazi; Jews who have returned, thanks to the efforts of a powerful propaganda, from Poland, Russia, the Balkans, Austria-Hungary, Germany, Holland and England.

In the midst of all, and presenting an individuality perhaps more distinct than all the others, you see the Mohammedan master of the land—the Arab in his solemn garb and majestic bearing, and the Turkish official and soldier haughty in the exercise of his duty to keep the Christian pilgrims in check and to preserve order. Elaborate processions and ceremonies make holy week in Jerusalem a gorgeous event, where the intimate note of the resurrection is not conspicuous. Especially does it bring out the division of Christendom, so strikingly shown in the way in which Latins, Greeks, Armenians and Copts share the Church of the Holy Sepulcher.

Though the census of 1896 gives the "mutesarifik" of Jerusalem 25,000 Latins and only 18,000 Greeks, the visitor is apt to be impressed with the religious predominance of the latter. Particularly at Easter the marvelous services of the Greek orthodox church convey the priority of these ceremonies; none, perhaps, is more impressive than that of the washing of feet, on the Thursday before Easter.

On that day a platform is erected in the court of the church, which is occupied by the Greek patriarch of Jerusalem and twelve high church dignitaries. Court stairs, niches and every corner is crowded by the faithful to witness the enactment of the scene when Jesus washed the feet of his disciples. The parts of Jesus, John, Peter and Judas are each given to an ecclesiastic, and are read with fine simplicity, though the story is told with a certain freedom from Gospel text.

At the end the patriarch washes the feet of the twelve clerics and, repeating Jesus' words, "Let us go, for he that will betray me is nigh," gives the signal to arise, and they all withdraw to the church. Then an olive branch, hanging over the channel of the platform, is pulled up to the roof of the church amid shouts of joy.

## MISERY IN HEAD AND BACK

A Lady Writes She Suffered So, Would Have To Stay In Bed For Days. Is Now Well.

Cartersville, Ga.—The following is from Mrs. Will T. Lawton, of Cartersville: "I am writing this because I want other women to know what Cardui has done for me.  
Before I commenced taking Cardui, I had headache so bad, I would have to stay in bed for days at a time. I suffered untold misery with my head and back.  
I saw Cardui advertised and decided to try it. I took three bottles. After taking the first bottle, I could see a vast difference in my feelings, and decided to take the second, and took three in all.  
After taking the third bottle, I felt like a new woman altogether, and I will always praise Cardui as a boon to woman's ills.  
I believe it saved my life and I am now a well, healthy woman, and my husband joins me in my praise for Cardui.  
Before I began taking Cardui, I was irregular, but since I began taking it, I have been regular and without any pain.  
Everyone tells me I am the picture of health since taking Cardui. I will recommend it to every suffering woman."  
If you suffer from any of the ailments so common to women, or if you feel the need of a good strengthening tonic, why not give Cardui, the woman's tonic, a trial? Begin today. Your druggist sells Cardui.—Adv.

## Head Stopped Up? Can't Breathe? Try the Vick Vap-O-Rub Treatment

Applied in Salve Form Over Throat and Chest Relieves by Inhalation and Absorption.

Vapor treatments are best for inflammations of the air passages. The vapors carry the medication direct to the inflamed surfaces without disturbing the stomach, as internal medicines will do. A very convenient vapor treatment is a good application of Vick's "Vap-O-Rub" Salve over the throat and chest, covered with a warm

flannel cloth. The body heat releases vapors that are inhaled with every breath, opening the air passages, loosening the phlegm, and healing the raw surfaces. For deep chest colds, first apply hot wet towels to open the pores. Vick's is then absorbed through the skin, taking out that tightness and soreness. 25c, 50c, or \$1.00.
