

DOCTORS WANTED TO OPERATE

Mrs. Quillon Tells How Lydia E. Pinkham's Vegetable Compound Saved Her from an Operation

Muskegon, Michigan. "After doctoring for eight or nine years with different physicians without any relief at all, they said at last that medicine would not reach my case and I should have an operation. I had heard of Lydia E. Pinkham's Vegetable Compound and often saw it advertised in different papers where some women had suffered just as I did and got well and strong again by taking the Vegetable Compound. I decided to see what it would do for me, and before I had finished the fourth bottle I was much better, the weakness stopped and the severe pain in my sides left me. I am now much stronger and do my own work and work in the factory besides. I am still taking the Vegetable Compound and give it all the praise." - Mrs. NELLIE QUILLON, 17 Morris St., Muskegon, Mich.

Women should heed such warning symptoms as bearing-down pains and weakness, for they indicate some female trouble, and a persistent and faithful use of Lydia E. Pinkham's Vegetable Compound will seldom fail to help.

LESSON FOR JANUARY 14

JESUS TEACHING HUMILITY

LESSON TEXT—Luke 14:1-14. GOLDEN TEXT—God resisteth the proud, and giveth grace to the humble. -1 Peter 5:5. REFERENCE MATERIAL—John 13:1-17; Phil. 2:1-11. PRIMARY TOPIC—The Story of a Great Dinner. JUNIOR TOPIC—Teaching Courtesy. INTERMEDIATE AND SENIOR TOPIC—Others. YOUNG PEOPLE AND ADULT TOPIC—The Spirit of Christian Service.

I. Jesus Dines With a Pharisee (v. 1). Jesus entered freely into the common social customs of the day. We see Him at a wedding, a dinner party, in the home of sickness, and at a funeral. He was truly a man among men. He was unlike John the Baptist in this respect. The Christian's influence is best when mingling with his fellow-men in all right relations and positions in life, even though selfish and evil-minded persons are found among them. This does not mean that he should be a partaker of their evil deeds. Jesus in thus moving in all circles of human society showed the divine sympathy. While Jesus was in society he was not of it. So should the Christian be. Jesus was in a company outwardly courteous but inwardly hostile. Doubtless the motive of the invitation was to find an occasion against Him. This is implied in the statement "they watched Him."

II. Jesus Healing a Dropsical Man (vv. 2-6). 1. Why This Man Was Present (v. 2). There is no way of absolutely determining it, but likely it was part of a plot of the Pharisees to trap Jesus by getting Him to violate the Sabbath rules. 2. Jesus' Question (v. 3). Jesus' question was an answer to the thoughts of the lawyers and Pharisees who were watching Him, for they had not spoken. Before healing this man He submitted the case to their judgment. They were free on the Sabbath day to hold a feast where their selfish pride and vanity could be displayed, but they were horrified that a fellow-man should be healed on the Sabbath. They were silent because their consciences made them ashamed of their heartlessness.

3. Healing the Man (v. 4). While they were in a state of embarrassment Jesus healed the man and let him go. 4. Jesus Rebuked Them (vv. 5, 6). He laid bare their hypocrisy by showing them that their willingness to show mercy to a beast on the Sabbath should induce them to regard as not sinful to relieve a human being of distress on the Sabbath. They were again silent, for they perceived their inconsistency and inhumanity. III. Jesus Rebukes Selfish Ambition (vv. 7-10). 1. The Occasion (v. 7). He observed that the guests while taking their places at the table chose the best seats for themselves. This is still true of men and women. In the railway cars, hotels, street cars, etc., they scramble for the best places. In the homes even members of the same family will try to get the best food, etc. 2. Instruction Given (vv. 8-11). When bidden to a feast, take the lowest place lest you suffer the humiliation of being asked to take a lower seat. This is more than a lesson on courtesy or table manners; it is a severe rebuke of that selfishness which fills the human heart, causing it to seek to be ministered to instead of ministering to others. Unselfishness will express itself in humbly taking the lowest place, esteeming others better than ourselves. The fundamental principle of the philosophy governing the moral world, Jesus declares to be: "Whoever exalteth himself shall be abased, and he that humbly himself shall be exalted."

IV. The True Motive in Deeds of Charity (vv. 12-14). Jesus takes advantage of this social occasion to teach a great principle. The Jews, like many of the rich today, made social dinner occasions for display. They invited only those whose wealth would enable them to recompense them by inviting them in return. Jesus took note of the selfishness thus displayed and set forth to them the right principle, namely, that they should extend their hospitality to the poor and afflicted. All charitable deeds should be done with unselfish motives. Jesus assured them that compensation would be made at the resurrection of the just. This does not mean that friends and neighbors of certain rank should never exchange pleasant hospitalities. Wealth should be used to confer blessings upon the poor and needy instead of ministering to the pride and vanity of the possessor.

How Churches Grow. Once there was a Chinese laundry. Then it became a store. Then it became a church. For ten years it served in this capacity, and from it has come a group of 47 communicants and 100 children who, this year, have acquired their own new building, St. Philip's chapel, New Orleans. The Earnest of the Spirit. Now be that hath wrought us for the selfsame thing is God, who also hath given unto us the earnest of the Spirit. -II Corinthians 5:5.

SERGEANT USES HIS BRAINS

Has Made Discovery That Weather Can Be Utilized as an Aid in Recruiting.

"Studying weather forecasts, that's how I land 'em. Thus one of the regular army's most proficient recruiters explains the success which has made him one of the "aces" of Uncle Sam's recruiting forces.

When winter blasts blow around his "Uncle Sam Wants You" sign, the sergeant hangs out alluring pictures of a field artillery column at rest on the side of a Hawaiian island road shaded with palm trees. When the city sizzles in the summer he extracts from his supply of posters a persuading "Spend Your Summer in Cool Alaska With the Infantry" sign.

"And you ought to see 'em flock in," gloats the sergeant. "Give me a week of rain and I'll land 'em for my post on the Mexican border, 50 miles away from a river. Come around and see me this winter. I can fill a division for the Philippines any day there's snow on the ground. But Alaska or the Canadian border, not a chance!"

FEMALE VICTIMS OF PLAGUE

Figures Show That Tuberculosis is Spreading, Chiefly Among Women Active in Industrial World.

The death rate from tuberculosis among women is on the increase. In spite of the increase in active cases among women the death rate for males is still higher than that for females by almost one-third. "The sudden influx of women into industry during the war may, in a measure, be responsible for this increase," says a statement from the National Tuberculosis association. "This does not mean that there is any real basis for the assertion that women are not as well fitted for industrial work as men are. It is a fact, however, that many women who work in industry also look after their household duties and bring up large families of children. Consequently, insufficient rest, improperly cooked food and lack of fresh air so undermine the constitution that they readily become victims of the tubercle bacillus."

The Ways of Man. "It is simple to distinguish between the married man and the single, though both would have you believe they are benedicts when purchasing Christmas gifts for women," said the observing shop girl. "The single man, wanting something silk and pink, tells the clerk that 'it is for my wife,' though we know different. The benedict refers to his wife as 'she' or 'her,' and though he generally spends a pretty price, is not so hard to suit as the other."—Detroit News. An idle brain is the advance agent for a busy tongue.

Nothing to Eat. My most embarrassing moment came when I had dinner with a friend who put out a most beautifully served and appointed meal, with gorgeous service and artistic settings, but with little food. I was duly impressed with the beauty of the meal, but equally depressed by the lack of food, and with both these feelings in mind I blurted out to the hostess on leaving: "You must come and dine with us soon. I can't promise you a more artistic dinner than yours was, my dear, but you may be sure it will be more substantial."—Chicago Tribune.

SAW 3 PRESIDENTS SLAIN Robert T. Lincoln Probably Only Man in America to Witness Chain of Tragedies. Robert T. Lincoln, son of President Lincoln, and now in his eightieth year, was in the army and stationed in Virginia when he received an order to report at Washington. He got into the theater just in time to see his father receive his fatal wound. Robert T. Lincoln was secretary of war under Garfield. He was asked by the President to meet him at the station, and he reached there just as Garfield was assassinated. Mr. Lincoln received an invitation to attend the formal opening of the Pan-American exposition at Buffalo, and accompanied by his family got there just in time to see President McKinley shot by Czolgosz. Mr. Lincoln related this eerie experience recently to a friend, says Forbes Magazine, and, so far as he knows, says the writer, it had never before been published. Nature has its sprees and pays for them a good deal as human nature does.
