To My Farmer Friends In Western Carolina:

Our market opened up this morning after three week's vacation and I am glad to report to you that prices are higher than they were when we closed. I made some fine sales this morning from your section of the country. Anything with color is selling high.

Get yours ready as soon as you can and let it come on here as prices are generally better in January and February than they are later on in the season. Just mark your tobaccos to Acree's Warehouse in my care and I will see that you get outside prices on every pile of it.

Your Friend,
J. Alex Wilson.
