Nights and Mornings of April. And we are going to work hard, God willing, to the end that they will be profitable and interesting to all who attend.

Hope to see you Sunday, and I trust that we shall have a good time together. I am not perfect, as I am just an ordinary human being. Have lots and lots of shortcomings, and make many mistakes and blunders. But I believe in God and trust in Christ, and down deep in my heart want to please them in everything, and between ourselves, I don't believe that the use of a little slang and a few other things that I do are disto God at all. There are too many "Mollycoddles" in the pulpit as well as other places to-day. And, honestly, cross my heart, if I was to die this minute, I do not believe that God The God Of The Bible, if you please, is the God of Molleycoddles. But more about that when we preach on HIM on the Sunday nights of next month.

Good-bye for the present. EVAN RIDGE EVANS.
