

SINGS WITH JOY WHILE AT WORK

Mrs. Banes Says Tanlac Ended Indigestion, Sourness and Pat-pitations and Made Labors Light.

"Tanlac has helped me so much I wish everyone suffering like I did would follow my suggestion to use it," said Mrs. Sadie Banes, 2037 Washington St., Kansas City, Mo., the other day. "Before I took Tanlac my appetite was so poor it seemed beyond cultivation, and the little I managed to eat gave me indigestion and caused awful sourness and palpitation. I was simply miserable from nervous headaches, dizziness and knife-like pains in my back, always slept poorly, and felt so bad that at times I just had to quit my housework and lie down.

"Tanlac was so well suited to my case that it has only taken three bottles, half of the full treatment, to restore me to perfect health. It makes me so happy to be without an ache, pain or trouble of any kind that I go about my work humming and singing. I just can't help rejoicing over what Tanlac has done for me."

Tanlac is for sale by all good druggists. Over 35 million bottles sold.—Advertisement.

Is Just Like a New Baby Says Fond Mother

One of the most remarkable features about Teethina is the quick relief so often observed soon after giving it to a sick and fretful child. "She was just like a new baby in a few minutes after giving her Teethina," writes Mrs. W. M. Murray, of 1329 Cassler avenue, Gadsden, Ala. "In fact," continues Mrs. Murray, "I couldn't go to sleep at night without knowing I had Teethina in the house."

Mrs. Murray states an important fact that should interest other mothers who worry because of their little ones' fretfulness. With Teethina at hand she can banish all fears and take her own rest with the assurance that baby is well guarded and is safe from trouble.

Teethina is sold by all druggists, or sent 30c to the Moffett Laboratories, Columbus, Ga., and get a package of Teethina and a wonderful free booklet about Baby.—Advertisement.

MULTITUDE HEARS BRYAN AT TARBORO

THOUSANDS HEAR COMMONER SPEAK ON THE "WORLD'S GREATEST NEED."

KIWANIANS ENTERTAIN PARTY

Josephus Daniels and Governor Cameron Morrison Also Deliver Speeches.

Tarboro. — Nearly 30,000 people greeted Williams Jennings Bryan here when he spoke in the interest of the Tarboro Kiwanis educational fund. The Commoner was met in Rocky Mount by a large body of Tarboro Kiwanians who were guests at a luncheon given to Mr. Bryan and his party by the Kiwanians of Rocky Mount. The party was then escorted to Tarboro over the new hard-surface road by a convoy of about 20 cars.

Besides the Commoner, there were in this party Josephus Daniels, Clarence Mitchell, Soly Brower, Phillip McGruder and Allen J. Barwick, who motored from Raleigh to be guests of the Tarboro Kiwanis Club on this occasion. Gov. Cameron Morrison, R. A. Doughton, Frank Page, R. T. Fountain, and Paul Jones arrived by motor from Raleigh in time for a dinner reception given by Mr. W. A. Hart, at his home on Main street in honor of Mr. Bryan, Josephus Daniels, and the above-mentioned guests. There were 20 prominent Tarboro men at this reception to meet the Commoner and other distinguished guests.

At seven thirty the large crowd at the Farmers' warehouse gave Mr. Bryan a great ovation as he entered with the other distinguished visitors.

In addition to the guests who entered with the speaker there were on the stage the presidents of many of the Kiwanis Clubs in Eastern North Carolina, Kiwanian District Lieut. Governor Burt James, of Greenville, N. C., and the officers of the local Kiwanis club. Rev. Dan Iverson, president of the local club called the meeting to order.

The Rev. Bertram E. Brown of the Episcopal Church being called upon led the audience in prayer.

Here the president introduced Josephus Daniels, who explained some of the things that his Kiwanian stands for.

W. A. Hart in a few well chosen words introduced Governor Morrison and told of some of the things he had accomplished since he has been Governor.

The Governor introduced to the people the man whom he characterized as the greatest orator that has appeared on the earth in half a century—William Jennings Bryan.

Seventeen Die in Kansas City Fire.

Kansas City, Kans.—Seventeen persons are believed to have perished in the fire which destroyed a two-story frame rooming house here. Twelve bodies have been recovered and search is being made of five other persons believed to have lost their lives in the blaze. Only three bodies have been identified.

Between 20 and 30 persons occupied the rooms on the second floor of the building. Several escaped by jumping from windows.

The first floor of the building was the H. and H. Garage, in which about 15 motorcars were destroyed. Fire Chief John McNary estimated the total property damage at \$200,000.

The fire was discovered by persons on a passing street car. The crew and passengers shouted to those in the building to awaken them.

Paris Denies Soviet Reports.

Paris.—The French foreign office flatly denied the cabinet had decided to reopen negotiations with Soviet Russia, as asserted by The Echo National.

It was declared that the departure of M. de Chevilly from Paris had no significance such as ascribed to it by the newspaper. M. de Chevilly holds the position of commercial attaché in the countries bordering on Russia, and officials said he was going on a mission to those countries and not to Russia.

The article in The Echo National was declared in some political circles as an effort to embarrass the Government.

Eating More Meat.

Washington.—More meat was consumed in the United States last year than in any previous year, the Department of Agriculture announced. The total consumption was estimated at 14,333,000,000 pounds which amounts to 149.7 pounds per person applying the July 1, 1922, estimate of population.

Veteran Likely to Head Bureau.

Washington.—Senator Curtis, Republican, Kansas, discussed appointment of a new Veterans' Bureau Director, with President Harding and said afterward that the President appeared to have made a selection from among the overseas service men he has had under consideration for the post.

Wilder F. Metcalf, of Kansas, who served in the World War as a brigadier general, was recommended by Senator Curtis, but it was indicated that there was little likelihood of his appointment.

BLACK-DRAUGHT OVER 30 YEARS

"Saved Me Many a Sick Spell," Says Texas Farmer Who Has Long Known Usefulness of Black-Draught.

Naples, Texas.—"I have used Theford's Black-Draught for years—I can safely say for more than 30 years," declares Mr. H. H. Cromer, a substantial, well-known farmer, residing out on Route 3 from here.

"I am 42 years old, and when a small boy I had indigestion and was puny and my folks gave me a liver regulator. Then Black-Draught was advertised and we heard of it.

"I began to take Black-Draught, and have used it, when needed, ever since. I use Black-Draught now in my home, and certainly recommend it for any liver trouble.

"I have given it a thorough trial, and after thirty years can say Black-Draught is my stand-by. It has saved me many sick spells."

Mr. Cromer writes that he is "never out of Black-Draught," and says several of his neighbors prefer it to any other liver medicine. "I always recommend Black-Draught to my friends," he adds.

This valuable, old powdered liver medicine is prepared from medicinal roots and herbs, and has none of the bad effects so often observed from the use of calomel or other powerful mineral drugs.

Black-Draught helps to keep the liver in trim, helping prevent or relieve such troubles as constipation, biliousness, indigestion, sick headache. Be sure to get the genuine.

Non-Inflammable Films.

For some time back there has been on the market a non-inflammable motion-picture film, made of acetate of cellulose instead of the usual nitro-cellulose of celluloid, says the Scientific American. Because of the many dangers incurred with inflammable films, France has passed a law whereby all films used in that republic after June, 1925, must be of non-inflammable stock. Undoubtedly many other countries will soon enact similar legislation, making motion pictures safe.
