## BAPTISTS COLLECT \$38,918,000 CASH

Growth of Denominational Activities in Every Direction is Indicated as Result of Forward Program

## LARGE ADVANCES ARE MADE

REPORT ON CONTRIBUTIONS TO 75 MILLION CAMPAIGN ISSUED BY HEADQUARTERS OFFICE

DR. EVERETT GILL  
European Representative Baptist Foreign Mission Board.

Up to January 1, 1923, Southern Baptists had paid in cash on the 75 Million Campaign, their five-year program for the advancement of the general missionary, educational and benevolent activities of the denomination the sum of \$38,918,191.10, according to a report issued by the general headquarters office.

These contributions have come from the various states and other sources as follows: Alabama, \$1,653,739.40; Arkansas, \$1,165,153.35; District of Columbia, \$143,564.70; Florida, \$609,016.02; Georgia, \$3,669,516.70; Illinois, \$320,482.95; Kentucky, \$4,122,089.78; Louisiana, \$1,035,640.23; Maryland, \$489,494.29; Mississippi, \$1,591,011.34; Missouri, \$1,537,067.49; New Mexico, \$170,998.36; North Carolina, \$3,365,330.21; Oklahoma, \$1,052,438.20; South Carolina, \$3,309,252.60; Tennessee, \$2,340,766.77; Texas, \$5,002,785.32; Virginia, \$4,102,802.12. Special designated funds, Texas, \$1,223,640.55; New Mexico, \$403,072.68; Louisiana, \$105,100; Illinois, \$148,591.11; Tennessee, \$192,653.25; Oklahoma, \$59,000; received direct by Home Mission Board, \$15,340; received from special sources by Foreign Mission Board, \$86,103; contributed by native churches on foreign field and expended by them directly on their work there, \$1,003,260.68.

Indicating something of the progress which the impetus of the Campaign has brought to various phases of denominational effort in the South, it is reported that during the three years of the Campaign period that have expired, Southern Baptists have had 150,000 more baptisms than they did for the three years immediately preceding the Campaign; organized 3,000 more new Sunday schools with 400,000 new pupils; enhanced the value of their local church property by \$33,000,000; increased their contributions to local causes by \$22,000,000; gave \$18,938,862 more to missions and benevolences, and advanced their contributions to all causes by \$43,480,490 during the three years of the Campaign over what they gave to all causes for the three years immediately preceding the Campaign.

**Gains in Special Fields.**  
The Campaign has enabled the various state mission boards to greatly enlarge their programs of state and associational missions within their respective boundaries. It is pointed out, made it possible for the Home Mission Board to complete its \$1,000,000 Church Building Loan Fund, extend its work among the foreigners, Indians and Negroes, administer 134,382 baptisms, secure 218,371 additions to the local churches, provide larger equipment for its system of 33 mountain mission schools, establish the Southern Baptist Tuberculosis Sanatorium, and greatly increase its work in other directions.

Some other gains in the homeland include the better equipment and maintenance of the more than 80 academies, colleges and seminaries other than the mountain schools; increasing the number of Baptist hospitals from 18 to 20, and providing better equipment and maintenance for all of them; increasing the number of Baptist hospitals from 12 to 20 and beginning the erection of three others, at the same time all the older ones have been better equipped; while the number of aged ministers helped has been doubled and the stipend given each has been greatly increased.

**Mission Work Extended.**  
In the realm of foreign missions the Foreign Mission Board has been enabled to send out about 250 new missionaries, employ over 500 additional native workers, greatly increase the equipment in the way of church buildings, chapels, schools, hospitals, publishing houses and mission residences in the older fields of China, Japan, Africa, Italy, Brazil, Argentina, Paraguay, Uruguay, Chile and Mexico, and open up new work in Spain, Jugoslavia, Hungary, Roumania, Russia, Palestine and Siberia. In the territory now occupied by the Foreign Mission Board there is a total population of 800,000,000, or more than half the people of the world.

Due to the enlargement of the missionary program in Europe the board has been compelled to station a general representative there in the person of Dr. Everett Gill, who has general oversight of the work on the continent and maintains his headquarters in London, England.
