Tobacco Flues

To the farmers of Madison and the adjoining counties. Call on Pete Haynie who will be prepared after July the first to supply you with tobacco flues, at a much reduced rate to what you have previously been paying. I would advise that people enter their orders early that there may be no disappointments. Bring along your old flues and have them repaired, which will save you quite a little money.

PETE HAYNIE,
Marshall, N. C.

**A VICTORY FOR
AMERICAN MOTORISTS**

The Crude Rubber Monopoly weakened when it came in contact with public sentiment. The press of the country today reflects the determination of the American Motorist that tire prices shall stay at a reasonable level—and that America must produce its own rubber.

Firestone
CUTS TIRE PRICES
10%

We announce a 10% reduction in tires and tubes effective June 11. The lowered cost of crude rubber and the special Firestone manufacturing and distribution advantages make this possible.

Firestone factories are organized on a basis of large volume, and effective production. Costs are down but quality is at its peak. Stockholder workmen are daily building many thousand of Gum-Dipped Cords—the best Firestone ever produced, and we believe, the leader on the market today.

Firestone cords took the first four places and eight of the ten money positions in the

Indianapolis sweepstakes, May 13, without a single tire failure.

Firestone Gum-Dipped Cords have set new standards in mileage, traction, comfort and safety. Car owners have expressed their approval of the extra value in Firestone Gum-Dipped Cords by increasing their purchases 194% in the past six months. We have replaced many expensive branches with warehouses. We now have 108 distributing points which are delivering Firestone tires to the consumer at the lowest cost in our history.

Follow the tide of economical tire buying—equip with Firestone Gum-Dipped Cords—and learn what Most Miles per Dollar means to you today.

Get a set of these Gum-Dipped Cords from one of the following dealers:

PORTLAND CEMENT
a daily necessity

PEOPLE once thought of it for sidewalks only. Today no type of permanent building is erected in which Portland Cement is not an important part—adding to its permanence, its safety, its fire protection.

Your building material dealer knows types of construction, knows materials. Ask his advice on both—he knows the necessities for good building.
