(Political Advertising)
IRA PLEMMONS ANNOUNCES FOR REPRESENTATIVE
In offering myself as a candidate to Represent Madison County, I do so, with a full knowledge of the responsibility that is attached. I am vitally interested in seeing taxation lowered. I am suffering along with all the citizenship from the unreasonable taxes that we now pay.
I think the time has arrived that free labor is no longer required to keep up the roads. I think the school system should be taken over by the State under local control. I believe our local people know better how to run our schools than a board at Raleigh would know. I should report any and every measure having for its purpose the relief of taxation to our people. Something must be done in regard to the back tax situation so that excessive costs cannot be piled up against the people again. I cannot make an intensive campaign, and neither do I think such should be necessary. I think the people should select their officers after thinking them over without any undue influence being brought to bear. I should expect to be guided by the best thought of our citizenship in all matters pertaining to legislation affecting our County and the State.
If the ideas meet with your approval I solicit your vote at the Republican primary in June.
For several years I have advocated tax relief and in some measure this has been accomplished, as your tax receipts will show. The farmers must have further relief if they are to keep their homes and support their wives and children.
Economy in every unit of government will help in the accomplishment of lower taxation. This can be attained only, and if, honest and efficient officers administer the laws, and too, if fair and honest laws are made to be administered. For these things I stand to merit your votes.
IRA PLEMMONS
Adv. T. L.

FOR SHERIFF OF MADISON COUNTY
To the legal voters of Madison County:
I now take the pleasure of announcing myself for the office of Sheriff subject to the Republican Primary of June 7, 1930. If I am elected I will promise you that I will carry out the duties of the office to the best of my ability, and will do all in my power to keep down crime. As I have been an officer for several years I know how crime should be suppressed. I will assure every citizen of Madison County that they will never regret any support that they may see cause to give me.
Thanking you, one and all.
Yours respectfully,
CLOYDE L. HENDERSON

FOR REPRESENTATIVE

TO THE VOTERS OF MADISON COUNTY:
I hereby announce myself a candidate to represent Madison County in the Legislature, subject to the action of the Republican primary to be held June 7, 1930.
SOME OF THE THINGS I STAND FOR:
If elected I will introduce a bill to abolish free labor on public roads in Madison County.
I will favor and work for two cents on our present five-cent tax on gasoline to be used on our county roads (the present rate of gas sales would give Madison County \$50,000.00 or \$60,000.00 annually).
I favor placing the burden of schooling our children on the State of North Carolina. By doing so we would give every child an equal chance to get an education, and place the burden where it belongs without a levy of tax on real estate.
(Signed)
DR. J. H. HUTCHINS.
