token of love from their parents, and not get angry because they do not have a large tree, expensive decorations, a Christmas party and a tree full of unnecessary things because many people will be financially unable to present these. If you see that you are going to be peeved because you don't get exactly what you want, just think of the children who do not have enough clothing and food and hardly know Christmas from any other day. I am sure that you will then be glad and thank God that you have that much. Anyway, Christmas is not just a day to receive presents—it is the day we celebrate the coming of Jesus Christ, our Saviour. If we can give, we should give to the poor and needy, and remember, that "it is more blessed to give than to receive."

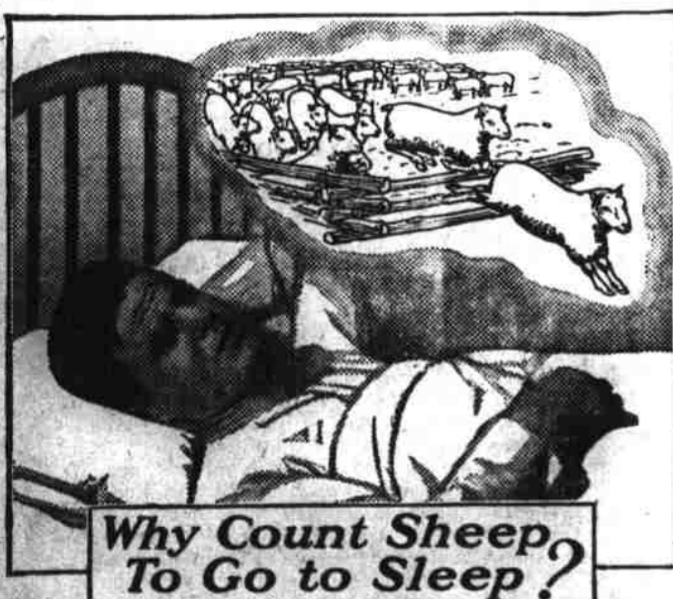

## A Sour Stomach

In the same time it takes a dose of soda to bring a little temporary relief of gas and sour stomach, Phillips Milk of Magnesia has acidity completely checked, and the digestive organs all tranquilized. Once you have tried this form of relief you will cease to worry about your diet and experience a new freedom in eating.

This pleasant preparation is just as good for children, too. Use it whenever coated tongue or fetid breath signals need of a sweetener.
